

# Oro Mining Provides Agm Update and Submits Environmental Permit for La Trinidad Project

01.05.2012 | [Marketwired](#)

VANCOUVER, BRITISH COLUMBIA -- (Marketwire) -- 05/01/12 -- [Oro Mining Ltd.](#) ("Oro" or the "Company") (TSX VENTURE: OGR) announces that at the Annual General Meeting of Shareholders held today, May 1, 2012, Messrs. Robert Kendrick, Ron Ewing, Stuart Rogers and John Brownlie were elected to serve as directors of the Company. In addition, all other motions put forth at the Meeting were approved, including the re-appointment of DeVisser Gray LLP as auditors of the Company and the ratification and re-approval of the Company's 10% rolling stock option plan (subject to TSX Venture Exchange approval).

Immediately following the Meeting, the board appointed John Brownlie as CEO and COO, Marco Antonio Galindo as VP Operations, Priscila Costa Lima as CFO and Mimy Fernandez-Maldonado as Corporate Secretary of the Company for the ensuing year.

Oro is also pleased to report that further to the press release dated April 12, 2012, the Company's Environmental Impact Assessment /Manifestacion de Impacto Ambiental (MIA) for La Trinidad project was officially submitted for approval to the Secretaria de Medio Ambiente y Recursos Naturales of Mexico (SEMARNAT) on April 27, 2012. The Environmental Impact Assessment is the principal document in the application process for a mine operating permit and the official review period is 60 business days during which request for additional information may be made by SEMARNAT. La Trinidad project is located in Sinaloa, Mexico, approximately 110 kilometres southeast of the city of Mazatlan and 42 kilometres southeast of the town of Rosario.

John Brownlie, CEO stated: "The submittal of the Environmental Impact Assessment is an important milestone in our efforts to move La Trinidad project's Taunus deposit to production. We believe we have produced an exceptionally complete document that should receive approval within the official review period. We are also looking forward to being able to disclose the results of our Preliminary Economic Assessment in the near future. We remain committed to maintain the planned timeline for production during the second half of 2013."

The Company remains well funded with \$8 million in the treasury as at May 1, 2012.

## About Oro Mining

Oro Mining is a publicly-listed company on the TSX Venture Exchange with properties located in Sinaloa and Zacatecas, Mexico. Oro Mining's priority is to advance properties toward production. La Trinidad property that hosts the Taunus gold deposit continues to be the priority focus of the Company's development activities. A complete NI 43-101 compliant resource estimate for the Taunus deposit can be found at [www.sedar.com](http://www.sedar.com) or at [www.orumining.com](http://www.orumining.com).

On behalf of the Board
