

# Idaho Natural Resources Corp. Reaches Agreement on a 30 Day Extension to Closing Its Acquisition of an Interest in the Willow-Hamilton Development Area

28.09.2012 | [Marketwired](#)

CALGARY, 09/28/12 - [Idaho Natural Resources Corp.](#) (the "Corporation") (NEX BOARD: IDN), has reached an agreement on a 30 day extension to the closing date of its proposed acquisition of a 10% working interest (the "Interest") in the Willow Hamilton Development Area, incorporating the Willow and Hamilton gas and condensate fields. Under the terms of the Purchase and Sale Agreement ("The Agreement"), consummated on August 1 2012, closing was originally due to take place on September 28, 2012. At closing, the Corporation will pay approximately U.S. \$1 million in cash for the Interest, subject to certain adjustments provided for in the Agreement.

## Certain Conditions of the Acquisition

The Corporation's acquisition of the Interest in the Development Area is subject to certain conditions which include, among other things: (i) approval of the acquisition by the shareholders of the Corporation; (ii) NEX approval; and (iii) adequate financing being obtained by the Corporation in order to satisfy the purchase price pursuant to the Agreement.

## Cautionary Note Regarding Forward-Looking Statements

Except for the statements of historical fact contained herein, certain information presented herein constitutes "forward-looking statements". More particularly, this press release contains statements concerning the Corporation's acquisition of the Interest and other statements that are not historical fact. The forward-looking statements contained in this document are solely opinions and forecasts which are uncertain and subject to risks. Forward-looking statements include but are not limited to uncertainties and other factors which may cause the actual results, performance or achievements of the Corporation to be materially different from any future results, performance or achievements expressed or implied by such forward-looking statements. These forward-looking statements are not guarantees of future performance and are subject to a number of known and unknown risks and uncertainties, including, but not limited to: non-performance of agreements in accordance with their terms; the impact of competition; commodity prices; regulatory environment and inability to obtain required regulatory approvals; tax laws and treatment; the ability of the Corporation to raise sufficient capital to complete future projects and satisfy future commitments; labour and material shortages; shareholder approvals, and certain other risks detailed from time to time in the Corporation's public disclosure documents which can be found at [www.sedar.com](http://www.sedar.com). Although the Corporation has attempted to identify important factors that could cause actual results to differ materially, there may be other factors that cause results not to be as anticipated, estimated or intended. There can be no assurance that such statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers are cautioned that the assumption used in the preparation of the forward-looking statements, although considered reasonable at the time of preparation may prove to be imprecise and, as such undue reliance should not be placed on forward-looking statements.

The forward-looking statements contained in this press release are made as of the date of this press release. Except as required by law, the Corporation disclaims any intention and assumes no obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as required by applicable securities law. Additionally, the Corporation undertakes no obligation to comment on the expectations of, or statements made, by third parties in respect of the matters discussed above.

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
