24.01.2013 | [The Newswire](#)

Jan 24th, 2013 - (via Thenewswire.ca) - [IMPACT Silver Corp.](#) ("IMPACT" or "the Company") (TSX.V: IPT) announces that it has granted incentive stock options under its Stock Option Plan to directors, officers, employees and consultants exercisable for 2,500,000 shares of IMPACT. The options are exercisable on or before January 23, 2018 at a price of \$1.20 per share.

IMPACT is a profitable silver mining company with three producing mines in Mexico. The Company's 100%-owned and operated underground silver mines feed a central 500-tonne-per-day (tpd) processing plant located within the historic Royal Mines of Zacualpan Silver District. Oscar, the Company's fourth underground mine, is scheduled to commence production in early 2013. IMPACT is also currently developing its second mining district in Mexico, the open-pit Capire Mine and Processing Centre, scheduled to begin pilot plant operations in early 2013. The upcoming commencement of production at the underground Oscar Mine and the open-pit Capire Mine represent the next phase of significant production growth for the Company, with the objective of ultimately establishing IMPACT as a multimillion-ounce silver producer. IMPACT also holds a 16.5% shareholding in [Defiance Silver Corp.](#), who is advancing the Company's 200-tpd mill and mineral concessions into production in the Zacatecas Silver District.
