About Soltera Mining

Soltera Mining Corp. is an exploration company that is concentrating on the major El Torno gold project in northern Argentina. El Torno is a 78 km2 area that has potential for world-class gold deposits of two types; vein gold in a very large quartz vein system that extends intermittently north-south for 14 km and has been worked underground in the past, and dispersed gold in suites of small veins and stockworks that are separate from the main system and appear to be major open-pit targets. For more information, please visit the Soltera website at www.solteramining.com.

About Goldlake Italia ("Goldlake")

The Goldlake Group is the first Italian organisation to invest in the mining and exploration sector of Honduras and now Argentina. The Group is privately owned, with the majority stake held by the founder of Italy's third largest cement company, Colacem. It has offices in Gubbio (Italy), London (UK) and at its main operations in Tegucigalpa, Honduras.
