Forward Looking Statements

This announcement includes certain forward-looking statements. All statements, other than statements of historical fact, included herein are forward-looking statements that involve various known and unknown risks and uncertainties as well as other factors. Such forward looking statements are subject to a number of risks and uncertainties that may cause actual results or events to differ materially from current expectations. There can be no assurance that such statements will prove to be accurate and actual results and future events could differ materially from those anticipated in such statements.

Information about the risks and uncertainties of the Company's business is provided in its disclosure materials, including its Annual Information Form for the 12 months ended 31 December 2012, available under the Company's profile on SEDAR at www.sedar.com. Although the Company has attempted to identify important factors that could cause actions, events or results to differ materially from those described in forward looking information, there may be other factors that cause actions, events or results not to be as anticipated, estimated or intended.

This news release contains forward-looking statements concerning the expected completion date of the Arrangement. There can be no assurance that the Arrangement will occur or that the anticipated strategic benefits and operational, competitive and cost synergies will be realized. The Arrangement remains conditional on approval by IMIC shareholders and the satisfaction or waiver of the conditions to closing, including receipt of all necessary regulatory approvals, and there can be no assurance that any such approvals will be obtained in a timely manner or at all and/or any such conditions will be met.

The Arrangement could be modified, restructured or terminated. Readers are cautioned that the foregoing list of factors is not exhaustive. Other risks and uncertainties not presently known to Afferro or that Afferro presently believes are not material could also cause actual results or events to differ materially from those expressed in the forward-looking statements contained herein.

There can be no assurance that forward looking information will prove to be accurate, as actual results and future events could differ materially from those anticipated in such information. Accordingly, readers should not place undue reliance on forward-looking information. The forward-looking information contained herein, speaks only as of the date hereof (unless stated otherwise) and, except as may be required by applicable law, Afferro disclaims any obligation to update or modify such forward-looking statements, either as a result of new information, future events or for any other reason.
