

Adamera Signs Letter Agreement to Sell Kam, Hawk and other South Baker Uranium Projects

29.11.2013 | [The Newswire](#)

Vancouver, BC, November 29, 2013 - [Adamera Minerals Corp.](#) (TSX V: ADZ) - announces it has entered into a binding letter agreement dated November 26th 2013 with Red Star Capital Ventures Inc. (NEX: RSM.H) to sell a 100% interest in the Kam, Hawk and South Baker properties located in the territory of Nunavut, Canada (collectively, the "Properties").

In consideration for the Properties, Red Star will pay to [Adamera Minerals Corp.](#), the sum of \$100,000 cash and will issue 1,000,000 common shares of the Company. Red Star will grant Adamera a 2% net smelter return royalty with respect to the Properties, 1% of which may be purchased by Red Star for \$1,000,000.

The Properties are located in Nunavut, Canada and are part of a large portfolio of northern projects held by Adamera Minerals.

"This is a positive transaction for both Adamera and Red Star. Kam and Hawk are highly prospective projects that clearly warrant further advancement by a company focused on uranium exploration. Realizing value for our northern projects is a very important part of our overall strategy as we explore and focus on our projects in Washington State," says Mark Kolebaba, President and CEO of [Adamera Minerals Corp.](#).

The completion of this transaction is subject to approval by TSX-V, Red Star directors and a final Definitive Agreement.

Adamera Minerals is actively engaged in obtaining value for its uranium, gold, base metal and diamond projects located in northern Canada. For a complete listing of our projects please see our website www.adamera.com

Adamera Minerals is currently focused on discovering high-grade gold mineralization in Washington State and is currently advancing 5 projects near the operating Kinross Kettle River Mill.

On behalf of the Board of Directors,

Mark Kolebaba

President & CEO
