

Metals Creek Resources Wins Decision in Claims Dispute at Feagan Lake Graphite Project, NW Ontario

19.02.2014 | [The Newswire](#)

Toronto Ontario, 19 February 2014 - [Metals Creek Resources Corp.](#) (TSXV:MEK) ("Metals Creek" or the "Company") is pleased to announce the favorable decision from the Ministry of Northern Development and Mines following a claims dispute hearing in Sudbury, Ontario on 13th February 2014.

On August 21st, 2013, a claims dispute against a third party, (Respondents) was filed by [Metals Creek Resources Corp.](#) (Disputants), Thunder Bay, Ontario. Specifically, the claims involved were #P4275913, 4275914, (Respondents Claims) and 4276040, 4276041, 4276043, and 4276044 (MEK Claims) situated in the Feagan Lake area, Porcupine Mining Division, The disputants alleged, on the basis of recommendation from their field and staking advisors, that the respondents staking did not comply with provincial standards and substantial compliance was not met.

As a result of the specific and substantial evidence presented to the Ministry by Metals Creek, The Respondents claims were cancelled and Metals Creek's claims were accepted and recorded effective the date the application to record was first received. The Ministry has also extended the time for performing and reporting assessment work on the mining claim by 175 days.

The Respondent has a period of thirty days from 13 February, 2014 in which to file a request for an appeal to the Mining and Lands Commissioner in Toronto.

The claims are located west of and adjacent to [Zenyatta Ventures Ltd.](#) Albany hydrothermal graphite project and cover an historic Mag Low. These claims are also located approximately 5km northeast of [Caribou King Resources Ltd.](#), which has recently announced the commencement of drilling on their Mulloy property.

Metals Creek is currently planning an airborne MAG and EM survey for the property.
