

Robex Resources Inc.: Adhesion to the United Nations Global Compact

22.04.2014 | [Marketwired](#)

QUEBEC CITY, QUEBEC--(Marketwired - Apr 22, 2014) - [Robex Resources Inc.](#) (TSX VENTURE:RBX)(FRANKFURT:RB4) ("the Company" or "Robex") is pleased to announce that it has joined the United Nations Global Compact. Through this adhesion, Robex is committed to align its operations and its strategy on ten universally accepted principles affecting human rights, labor rights, the environment and the fight against corruption.

More information on the Global Compact and its ten principles are available on the United Nations website by following this [link](#).

Through this commitment Robex will also play a support role in relation to their local partners. For example, through its General Conditions of Purchase, Robex's suppliers will be invited to respect the basic principles of the Global Compact. Robex will also be organizing training for its direct employees so that the structure as a whole delivers the same desire to preserve its social, economic and ecological environment.

George Cohen, CEO of ROBEX comments:

*"This is a fundamental principle that we are implementing for Robex: the will to act both **ethically** and **fair**"*

This press release contains statements that may constitute "forward-looking information" or "forward-looking statements" as set out within the context of security law. This forward-looking information is subject to many risks and uncertainties, some of which are beyond Robex Inc.'s ("Robex") control. The actual results or conclusions may differ considerably from those that have been set out, or intimated, in this forward-looking information. There are many factors which may cause such disparity, especially the instability of metal market prices, the results of fluctuations in foreign currency exchange rates or in interest rates, poorly estimated reserves, environmental risks (stricter regulations), unforeseen geological situations, unfavourable extraction conditions, political risks brought on by mining in developing countries, regulatory and governmental policy changes (laws and policies), failure to obtain the requisite permits and approvals from government bodies, or any other risk relating to mining and development. There is no guarantee that the circumstances anticipated in this forward-looking information will occur, or if they do occur, how they will benefit Robex. The forward-looking information is based on the estimates and opinions of Robex's management at the time of the publication of the information and Robex does not assume any obligation to make public updates or modifications to any of the forward-looking statements, whether as a result of new information, future events, or any other cause, except if it is required by securities laws.

The TSX Venture Exchange or its Regulation Services Provider (as defined in the policies of the TSX Venture Exchange) accepts no liability for the authenticity or accuracy of this release.
