

Radisson Mining Resources Inc., Engages FRONTIER MERCHANT CAPITAL GROUP for Investor Relations

02.06.2014 | [Marketwired](#)

ROUYN-NORANDA, QUEBEC--(Marketwired - Jun 2, 2014) - **Radisson Mining Resources** inc., (TSX VENTURE:RDS) ("Radisson") has retained FronTier Merchant Capital Group ("FronTier") for Investor Relations Services. FronTier is an experienced and reputable Investor Relations group with its head office in Toronto, Canada. FronTier will assist the company by increasing market awareness utilizing a number of financial market communications initiatives, the core of which will be facilitating in-person introductions for Radisson with institutional and retail brokers and investors in a number of cities across Canada, the US, Europe and Australasia.

FronTier has been retained for a year at \$5,000 per month and has been granted 300,000 incentive stock option at \$0.15 per share for a two-year period.

This agreement depends on its approval by the competent authorities.

Invitation to the annual meeting

Radisson will hold its annual meeting on June 6th, 2014 (10:00 a.m.) at the Hôtel Albert Best Western in Rouyn-Noranda. Radisson's management invites all of its shareholders to participate by exercising their right to vote on the agenda's main items, that is to say, approval of the election of 2 directors and appointment of the Company's auditor. The financial statements as of December 31st, 2013 will also be discussed. As well, the 2014 business plan which has as main objective the development of O'Brien/Kewagama project's zone 36 will be presented.

Mario Bouchard, President of Radisson Mining Resources has commented "Despite a difficult financial context for the market of junior companies; management continues to invest the necessary energy in order to develop the company's main asset in the perspective of increasing value for shareholders in a sustainable development setting."

About Radisson Mining Resources:

Radisson is a Québec-based mineral exploration company. The adjoining O'Brien and Kewagama properties, cut by the regional Cadillac Break, are Radisson's main asset. They contain the O'Brien Mine, which is considered to have been the highest grade gold producer of the Abitibi Greenstone Belt when it was in production (1,310,356 short tons at 0.448 oz/t from 1925 to 1956; RPA, May 2007). The Company is focusing exploration efforts on Zone 36 East, located approximately 2,000 feet (610 metres) east of the main shaft of the old O'Brien mine.
