

DENVER, CO--(Marketwired - Jun 1, 2016) - EnerCom, Inc. will host The Oil & Gas Conference® 21 on August 14-18, 2016, in Denver at the Westin Denver Downtown. Investment and oil and gas professionals can register for the event through the conference website.

Conference Details: The Oil & Gas Conference® 21 offers investment professionals the opportunity to listen to senior management teams present operational and financial strategies. The event provides industry professionals a venue to learn about important energy topics effecting the global oil and gas industry. And, the forum fosters healthy dialogue and informal networking opportunities for attendees.

Public and Private Company Speakers: The 2016 edition of EnerCom's The Oil & Gas Conference® will feature public and private oil and gas companies with operations spanning more than 40 countries and six continents. A work-in-progress list of the 2016 presenting companies can be found on the conference website.

Additional Speakers: Global economists, market strategists, government officials and engineering experts will provide their insights on topics such as the Chinese and Russian economies, the next stage in shale technologies, and in-depth analysis of commodity prices.

Who Attends the Conference: More than 2,000 institutional and hedge fund investors, energy research analysts, retail brokers, trust officers, high net worth investors, investment bankers and energy industry professionals gather in Denver for the conference.

One-on-One Meetings: EnerCom works in advance with presenting company management teams to arrange one-on-one meetings with the attending institutional investors and research analysts at the conference venue. In 2015, EnerCom managed more than 3,000 one-on-one meeting requests.

History and Sponsors: EnerCom, Inc. founded The Oil & Gas Conference® in 1996. It is the oldest and largest energy investment conference in Denver. Global sponsors of EnerCom's Conferences are Credit Agricole Corporate & Investment Bank; Netherland, Sewell & Associates; Preng & Associates; Hein & Associates LLP; and PLS. Sponsors of The Oil & Gas Conference® 21 are: GMP Securities; Wells Fargo & Co.; CIBC; Stephens Inc.; Repsol; Royal Dutch Shell plc; Haynes and Boone; Wunderlich Securities; Fifth Third Bank; DNB Bank ASA; Mutual of Omaha Bank; Petrie Partners; PNC Bank; Scotia Howard Weil; and Bank of America Merrill Lynch.

About EnerCom, Inc.

Founded in 1994, EnerCom, Inc. is a nationally recognized management consultancy firm advising and serving energy-centric clients on corporate strategy, asset valuations, investor relations, media and corporate communications and visual communications design. The Company's professionals have more than 170 years of industry and business experience and a proven track record of success. Headquartered in Denver, EnerCom uses the team approach for delivering its wide range of services to public and private companies, large and small, operating in the global exploration and production, OilService, capital markets, and associated advanced-technology industries. The Company annually hosts two oil and gas investment conferences:

About Netherland, Sewell & Associates, Inc.

Netherland, Sewell & Associates, Inc. (NSAI) was founded in 1961 to provide the highest quality engineering and geological consulting to the petroleum industry. Today they are recognized as the worldwide leader of petroleum property analysis to industry and financial organizations and government agencies. With offices in Dallas and Houston, NSAI provides a complete range of geological, geophysical, petrophysical, and engineering services and has the technical experience and ability to perform these services in any of the onshore and offshore oil and gas producing areas of the world. They provide reserves reports and audits, acquisition and divestiture evaluations, simulation studies, exploration resources assessments, equity determinations, and management and advisory services. For a complete list of services or to learn more about Netherland, Sewell & Associates, Inc. please visit www.netherlandsewell.com.

For more information about NSAI, call C.H. (Scott) Rees, Chief Executive Officer, at 214-969-5401 or send an email to info@nsai-petro.com.

About Preng & Associates

Preng & Associates, founded in 1980, is the only retainer-based, international executive search firm specializing solely in the energy industry. Its number one priority is to assist clients with their executive selection, organization development, and human resource needs by providing the highest quality service. Preng's record of accomplishment is directly attributable to their experienced staff, worldwide network of industry contacts, proven search methodology, and high standards of professionalism. Preng has conducted over 3000 searches for board, executive, management, and professional positions in its 35-year history and has the highest success and repeat client track record.

Preng's practice is based on the premise that the search process is most effective when conducted by professionals with significant search industry experience. The company has earned a reputation for combining professional search disciplines with an in-depth industry and market understanding and has succeeded in some of the industry's most challenging and high-profile searches. Preng's international reach allows it to effectively conduct global engagements; and as a member of the Association of Executive Search Consultants, Preng practices and promotes its high standards of conduct and professionalism.

For more information about Preng & Associates, contact Charles Carpenter, Partner at 713-243-2610 or ccarpenter@preng.com.

About Hein & Associates

For more than 30 years, Hein & Associates has been recognized as a leading accounting and advisory firm where its people and clients share knowledge, thrive in a culture of teamwork, and build long-term relationships deeply rooted in integrity. With offices in Denver, Dallas, Houston and Irvine, Hein serves public and private companies in a variety of industries across the country. Hein is a member of two of the largest international associations of accounting and advisory firms, which allows us to provide seamless client care domestically and throughout the world. Hein is ranked as one of the "Top 100" accounting and advisory firms in the country by Accounting Today, and consistently recognized by Inside Public Accounting as a "Best of the Best" firm, an honor bestowed on only 25 firms each year, based exclusively on management performance.

For more information, please contact Brian Mandell-Rice, Managing Partner, at bmandell-rice@heincpa.com or 303.298.9600.

About PLS

PLS was started in 1987 to adapt the real estate industry's highly effective MLS (multiple listing service) for the oil and gas industry. The firm takes its name from the simple concept of a "Petroleum Listing Service" but PLS has since expanded to provide operators and investors the information, marketing and advisory services they need to better manage their portfolios and facilitate profitable transactions.

To that end, PLS publishes various listings, news and research reports; offers proprietary databases; hosts prospect and property expos; brokers and direct markets properties, prospects, overrides and midstream assets for sellers seeking additional services; and provides advisory and consulting services on an as needed or project basis.

In total, over 2,000 independent companies and their 10,000+ professionals subscribe to one or more of PLS Core Reports, Regional Reports or Premium and Proprietary Databases. In addition, PLS divestment arm is one of the largest handlers of oil and gas asset sales in the mid to under market. Overall, PLS has handled over 900 projects worth an aggregate of \$5.0 billion while its advisory arm has done over \$1.0 billion in deals and continues to support clients in sourcing new opportunities and capital markets.

For more information about PLS products or services, please visit www.plsx.com.

About GMP Securities

GMP Securities is a leading independent investment dealer with a global specialization in equity, debt underwriting, mergers and acquisitions for the resources/energy industry. With operations in Canada, the United States, Europe, Australia and Asia, we offer a full range of financial products and services across our investment banking, sales, trading and research capabilities to an international client base that includes corporate clients, institutional investors and high-net-worth individuals. GMP Securities is a wholly owned subsidiary of GMP Capital Inc. (GMP), a leading diversified financial services firm headquartered in Toronto, Canada, which provides a wide range of expertise in two integrated business segments: Capital Markets and Wealth Management. GMP is listed on the Toronto Stock Exchange under the symbol "GMP".

About Wells Fargo & Company

Wells Fargo & Company is a nationwide, diversified, community-based financial services company providing banking, insurance, investments, mortgage, and consumer and commercial finance through more than 8,700 locations, 12,500 ATMs, and the internet (wellsfargo.com) and mobile banking, and has offices in 36 countries to support customers who conduct business in the global economy.

The Energy Banking Group, headed by Bart Schouest, provides corporate banking products and services to the energy sector, including upstream, midstream, oilfield services, and diversified industries. With offices in Houston, Dallas, Denver, Calgary, and Aberdeen the group's success is driven by in-depth industry expertise and longstanding relationships with key industry participants. The group has over \$45 billion of credit commitments to public and private companies across the upstream, midstream, downstream, services, and power and utilities sectors.

The Energy & Power Investment Banking Group, headed by James Kipp, provides strategic advisory and corporate finance expertise to energy and power clients, including upstream, midstream, oilfield services, downstream, coal and the power & utilities sectors. Areas of focus include equity, equity-linked and debt underwritings, private placements, syndications, and mergers and acquisitions. The Energy & Power Investment Banking Group has offices in Houston and Charlotte.

These teams work together to offer clients industry and product expertise, in addition to sharing their understanding of internal and external forces that drive both industry trends and financial markets. For additional information, contact us at 713-319-1350 or Energy@wellsfargo.com.

To learn more about Wells Fargo & Company, please visit the company's web site at www.wellsfargo.com.

About CIBC

CIBC is a leading North American bank headquartered in Canada and with offices around the world. CIBC was originally founded nearly 150 years ago, and has supported and financed the energy industry for many decades. CIBC was recently ranked as the strongest publicly traded bank in North America by Bloomberg, and is rated A+/Aa3 by S&P and Moody's, respectively.

Our energy specialists draw on the breadth of CIBC's capabilities to provide market insights and creative solutions for our clients. Services include corporate banking, commodity and interest rate hedging and strategy, A&D advisory, and capital markets.

CIBC is publicly traded on the NYSE and Toronto Stock Exchange under the symbol "CM" and has a market cap of \$36 billion and nearly \$400 billion in total assets. For more information, please visit www.cibc.com.

About Stephens Inc.

Founded in 1933, Stephens is a privately-held, independent financial services firm focused on building value for companies,

state and local governments, institutions and high-net-worth investors. We are headquartered in Little Rock, Arkansas, with offices in leading cities across the country.

Stephens has been a principal investor in the Energy space since 1952 and has a longstanding commitment to assisting and advising public and private Energy companies throughout their life cycles. Stephens Energy investment banking practice began in 2009 and has completed 35 transactions to-date. There are currently 9 professionals in the Energy investment banking group complemented by 7 equity research analysts and associates covering the Exploration & Production, Oilfield Service, and Master Limited Partnership sectors. The combined knowledge base of the Energy team enables us to provide clients an unmatched level of investment banking service, including mergers and acquisitions advisory, fairness opinions and public and private debt and equity offerings. Our extensive network of relationships in the Energy sector and continued presence in the strategic and capital markets allows Stephens to provide clients with actionable advice and an independent perspective on asset valuations, potential strategic issues and financing alternatives.

For more information about Stephens, please visit:
<http://www.stephens.com/investment-banking/sectors/energy/>

About Repsol

Repsol is one of the world's leading integrated oil and gas companies. We are present along the entire energy value chain, including exploration, production, refining, marketing and new energy R&D. Repsol's corporate headquarters are located in Madrid, Spain, and our U.S. headquarters are in Houston, Texas. We operate in over 40 countries, with 25,000 employees worldwide.

For more information about Repsol, please visit www.repsol.com.

About Royal Dutch Shell

Royal Dutch Shell plc is incorporated in England and Wales, has its headquarters in The Hague and is listed on the London, Amsterdam, and New York stock exchanges. Shell companies have operations in more than 90 countries and territories with businesses including oil and gas exploration and production; production and marketing of liquefied natural gas and gas to liquids; manufacturing, marketing and shipping of oil products and chemicals and renewable energy projects.

For further information, visit www.shell.com.

About Haynes and Boone

Oil and gas is and has always been a volatile business, and today's environment is no exception. Haynes and Boone, LLP is an energy focused corporate law firm, providing a full spectrum of legal services to our clients across the oil and gas industry, including the upstream, midstream, and downstream sectors. Evidence of our commitment to the industry is our opening of our Denver office this year to better serve our energy clients along with our existing offices in Texas, New York, California, Washington, D.C., Shanghai and Mexico City. Haynes and Boone lawyers from all offices work as a team to meet the legal needs of our domestic and international clients involved in oil and gas. We represent domestic and foreign public and private companies engaged in the dynamic day-to-day work of finding and extracting energy in the form of oil and gas and the banks, investment funds and other investors that support them.

Our team of more than 100 energy lawyers, landmen and analysts understands the domestic and international physical and financial energy markets, and the firm has been helping both operators and lenders complete some of the largest financings in 2015/2016. With more than 550 attorneys, Haynes and Boone is ranked among the largest law firms in the nation by The National Law Journal.

For more info, visit www.haynesboone.com.

About Wunderlich Securities

About Fifth Third Bancorp

Fifth Third Bank is a diversified financial services company with over \$120 billion in assets. The Bank's energy group is comprised of experienced and knowledgeable individuals that can assist in providing and structuring financial solutions to meet their clients' needs across the upstream, midstream, downstream and services sectors. Solutions and capabilities include commodity hedging, interest rate management, foreign exchange, debt capital markets, treasury management, and depository/investment products.

For more information, please contact Richard Butler at 713-401-6101 or richard.butler@53.com.

About DNB ASA

DNB is Norway's largest financial services provider, with total assets approaching \$400 billion. The bank has for years been a major provider of capital to the oil & gas industry, growing up literally side by side with the highly prolific fields developed in the Norwegian Sector of the North Sea. The Oslo Energy Office maintains a global financing strategy, and serves this market through multiple offices around the world including Houston, London and Singapore.

Energy Americas, based in Houston, comprises approximately 20 seasoned energy finance professionals. Aside from facilitating the bank's global business strategies, the office concentrates primarily on serving middle market and larger customers in the four principal oil & gas sectors -- upstream, midstream, downstream and service -- as well as in Power and Renewables. The bank offers a variety of financial products, from traditional oil & gas reserve financing, to longer-term capital markets transactions and merger/acquisition advisory services through its broker-dealer arm, DNB Markets, Inc. Ancillary service capabilities include cash management/depository services, as well as commodity and interest rate hedging.

About Mutual of Omaha Bank

With expert banking talent and nearly \$6 billion in assets, Mutual of Omaha Bank provides financial solutions to individuals and businesses across the United States. The bank is a subsidiary of Mutual of Omaha, a highly rated insurance and financial services leader for more than 100 years.

When it comes to the energy industry, Mutual of Omaha Bank's Houston-based energy group is uniquely positioned to meet the specialized lending needs of energy companies, their owners and investors. With a strong capital base and a team of highly experienced energy specialists, commercial bankers and wealth management advisors, Mutual of Omaha Bank offers the financial resources and expertise to be a value added partner.

For more information, visit www.mutualofomahabank.com.

About Petrie Partners

Petrie Partners, LLC is a boutique investment banking firm offering financial advisory services to the oil and gas industry. We provide specialized advice on mergers, divestitures and acquisitions and private placements.

The firm was formed in 2011 (as Strategic Energy Advisors) by senior bankers formerly with Bank of America Merrill Lynch and Petrie Parkman & Co., an investment bank that built a reputation as a most trusted advisor to energy clients during the nearly two decades leading up to its merger into Merrill Lynch in 2006.

Through tenure with Petrie Parkman, Merrill Lynch and Bank of America Merrill Lynch, the senior members of the Petrie team bring to bear an average of more than 25 years of energy investment banking experience, including over 300 energy M&A and capital raising transactions representing over \$350 billion of aggregate consideration.

About PNC Bank

PNC is one of the largest, best-regarded and best-capitalized financial services companies in the country, with approximately \$325 billion in assets and offices in 33 states, Canada and the United Kingdom. PNC's Energy Group, headed by Tom Byargeon, is a significant capital and service provider to energy companies, with approximately \$6.5 billion in commitments to the industry. The Energy office in Houston houses a team with extensive experience and deep relationships across the entire energy supply chain. This group also offers strategic corporate finance advice and delivers PNC's comprehensive set of solutions and capabilities, including commodity and interest rate hedging, debt capital markets, loan syndications, treasury

management, asset securitization, equipment finance and institutional investments.

For more information, please contact Tom Byargeon at 713-353-8782 or tom.byargeon@pnc.com. You can also visit www.pnc.com.

About Scotia Howard Weil

Scotiabank is a leading global bank that provides a broad array of financial products and services to the energy industry in over 50 countries. Our sophisticated energy platform fully integrates equity, debt, corporate lending, commodity hedging and capital markets solutions for energy sector companies in North America and around the world.

Scotia Howard Weil provides equity research, institutional sales and trading, and equity capital markets services, with an exclusive focus on the energy industry. Scotia Howard Weil's equity research professionals cover over 140 energy companies operating in the following sectors - European Integrated Oils/Independent Refiners, Infrastructure MLPs, Exploration and Production, Oilfield Equipment & Services, Appalachian Energy, and Coal Producers. Given the firm's exclusive focus on the energy industry, Scotia Howard Weil sales and trading professionals possess a deeper understanding of energy-industry and company-specific events and trends than professionals at more diversified firms. Focused on optimizing your growth strategy, Scotia Howard Weil brings deep industry knowledge, experience, relationships and broad distribution capabilities to each transaction we execute in the U.S. energy equity capital markets. Scotia Howard Weil is a leading manager of equity capital markets transactions in the energy industry, having completed over 50 such transactions since 2014.

Scotiabank's oil and gas M&A arm, Scotia Waterous, is a global leader in oil and gas M&A, offering corporate M&A, asset acquisition and divestiture, and corporate finance services to its international clientele. With over 200 mandates completed since 2006 worth more than \$167 billion, Scotia Waterous provides best-in-class advisory solutions to enhance your strategic decision making. Scotia Waterous is a technically focused advisor with over 110 integrated and highly experienced technical and corporate professionals based around the world.

For more info, visit: www.gbm.scotiabank.com/energy, www.howardweil.com and www.scotiawaterous.com.

About Bank of America Merrill Lynch

Bank of America Merrill Lynch Oil and Gas Group

The Bank of America Merrill Lynch (BofAML) Oil and Gas practice is comprised of a global team of bankers dedicated to covering the energy industry, dating back to the 1920s when Texas predecessor banks pioneered reserve-based lending. The practice includes an experienced in-house Petroleum Engineering team with over 150 years of combined experience. With one of the only full-service financial energy platforms in the industry, the BofAML oil and gas team manages significant capital commitments in the energy sector with dedicated bankers based in Calgary, Denver, Dallas, Houston, London and New York.

The BofA Merrill Lynch Global Research platform offers clients access to information and actionable ideas on stocks, bonds, economics and investment strategies. With approximately 700 analysts in more than 20 countries, we offer our clients knowledge about economic and business developments that are having an impact on the markets, so that they can work with their financial advisors to make the most of opportunities. BofA Merrill Lynch Global Research was ranked No. 1 for the fourth consecutive year on the 2014 list of *Top Global Research Firms, Institutional Investor*.

Bank of America
