

Vancouver, British Columbia (FSCwire) - [Ximen Mining Corp.](#) (TSXV:XIM) is pleased to announce that effective immediately, Mr. Shervin Teymouri, (B.A.Sc., M.Eng., P.Eng.) has accepted a position on the board of directors of [Ximen Mining Corp.](#)

With over a decade in the industry, Mr. Teymouri's experience is in mining engineering with a specific focus on evaluation, design, execution, reclamation, First Nations relations and community engagement.

Mr. Teymouri has acted as a consultant, engineer and operations specialist as a mining engineer for base, precious and industrial metals projects. His combined financial and mining engineering experience has developed his credibility to interpret, evaluate, and comment on the feasibility of mining projects, either underground or open pit. His involvement in mine finance and strategic mine planning has focused on the maximization of mine returns and aligning mine planning with project financial objectives. Prior to founding MineIT Consulting, Mr. Teymouri was a senior mining engineer with Roscoe Postle Associates and a senior mining engineer developing mining projects at [Alexco Resource Corp.](#)

Mr. Teymouri is an Adjunct Professor and lecturer of mining engineering at the University Of British Columbia, Faculty Of Applied Science, Norman B. Keevil Institute of Mining Engineering. He holds a B.A.Sc., Geological Engineering and a Masters, Mining Engineering/Mining Economics degree from the University of British Columbia and is a P.Eng with the Association of Professional Engineers and Geoscientists of British Columbia

Mr Teymouri commented on his appointment by saying: "I am pleased to be joining the Ximen board of directors and working with such an experienced and well-qualified group of executives and directors; and I am certain that their skills and track-record over many decades in all aspects of the mining sector will greatly benefit Ximen as it advances its Brett Project in BC."

On behalf of the Board of Directors,

Christopher R. Anderson;

Christopher R. Anderson,

President, CEO and Director

[Ximen Mining Corp.](#) 604 488-3900

This News Release may contain forward-looking statements including but not limited to comments regarding the acquisition of certain mineral claims. Forward-looking statements address future events and conditions and therefore involve inherent risks and uncertainties. Actual results may differ materially from those currently anticipated in such statements and Revolver undertakes no obligation to update such statements, except as required by law.

Forward-looking statements are based on the then-current expectations, beliefs, assumptions, estimates and forecasts about the business and the industry and markets in which the Company operates, including that: the current price of and demand for minerals being targeted by the Company will be sustained or will improve; the Company will be able to obtain required exploration licences and other permits; general business and economic conditions will not change in a material adverse manner; financing will be available if and when needed on reasonable terms; the Company will not experience any material accident; and the Company will be able to identify and acquire additional mineral interests on reasonable terms or at all. Forward-looking statements are not guarantees of future performance and involve risks, uncertainties and assumptions which are difficult to predict. Investors are cautioned that all forward-looking statements involve risks and uncertainties, including: that resource exploration and development is a speculative business; that environmental laws and regulations may become more onerous; that the Company may not be able to raise additional funds when necessary; fluctuations in currency exchange rates; fluctuating prices of commodities; operating hazards and risks; competition; potential inability to find suitable acquisition opportunities and/or complete the same; and other risks and uncertainties listed in the Company's public filings. These risks, as well as others, could cause actual results and events to vary significantly. Accordingly, readers should not place undue reliance on forward-looking statements and information, which are qualified in their entirety by this cautionary statement. There can be no assurance that forward-looking information, or the material factors or assumptions used to develop such forward looking information, will prove to be accurate. The Company does not undertake any obligations to release publicly any revisions for updating any voluntary forward-looking statements, except as required by applicable securities law.

Neither TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
