

# Pacific Ridge Exploration Ltd.: Grants Stock Options

28.07.2016 | [Marketwired](#)

VANCOUVER, Jul 28, 2016 - [Pacific Ridge Exploration Ltd.](#) (TSX VENTURE:PEX) ("Pacific Ridge" or the "Company") reports that it has granted 200,000 incentive stock options to certain directors of the Company. The options have an exercise price of \$0.08 per share and a term of five years.

## About Pacific Ridge

Pacific Ridge is a mineral exploration company with a successful history of over 30 years. It holds a well-located project portfolio in Yukon's White Gold District, in the same geological environment as Goldcorp's Coffee Gold Project and Kinross Gold's White Gold deposit. The Company's 280 km<sup>2</sup> *Mariposa* gold project covers the prolific Scroggie and Mariposa placer gold creeks located east of the Coffee Gold Project. Over \$6 million has been spent at Mariposa since 2010 including soil sampling, trenching and drilling, resulting in discovery of a number of well-mineralized gold zones. The 33 km<sup>2</sup> *Eureka Dome* property, centrally located in the White Gold District, is drained by several placer gold bearing creeks. Geochemical anomalies suggest the presence of a high level epithermal style gold system. The Company's 49 km<sup>2</sup> *Gold Cap* property, with yet-to-be drill tested gold soil anomalies, adjoins the Kinross White Gold deposit. Surface exploration programs are planned for the Mariposa and Eureka Dome projects in 2016.

The Company's 100 percent owned *Fyre Lake* copper-gold-cobalt massive sulphide project in the Yukon's Finlayson Lake District has been defined by 115 holes totaling over 23,200 metres of diamond drilling. A NI 43-101 compliant mineral resource estimate of the Kona Deposit reported in 2006 includes an indicated mineral resource of 3.571 million tonnes grading 1.57% copper, 0.10% cobalt and 0.61 gpt gold at a 1% copper cut-off grade. In addition, an inferred mineral resource, at the same cut-off grade, includes 5.361 million tonnes grading 1.48% copper, 0.08% cobalt and 0.53 gpt gold. These estimates were prepared by D. Blanchflower, P.Geo., of Minorex Consulting Ltd., who is the qualified person for this purpose. The Company is considering a number of options for further development of the Fyre Lake project.

On behalf of the Board of Directors,

Gerald G. Carlson, President & CEO, [Pacific Ridge Exploration Ltd.](#)

*Forward-Looking Information: This release includes certain statements that may be deemed "forward-looking statements." All statements in this release, other than statements of historical facts, that address exploration drilling and other activities and events or developments that [Pacific Ridge Exploration Ltd.](#) ("Pacific Ridge") expects to occur, are forward-looking statements. Forward-looking statements in this news release include statements regarding the placements and future exploration plans and expenditures. Although Pacific Ridge believes the expectations expressed in such forward-looking statements are based on reasonable assumptions, such statements are not guarantees of future performance and actual results or developments may differ materially from those forward-looking statements. Factors that could cause actual results to differ materially from those in forward looking statements include market prices, exploration successes, and continued availability of capital and financing and general economic, market or business conditions. These statements are based on a number of assumptions including, among other things, assumptions regarding general business and economic conditions, the timing and receipt of regulatory and governmental approvals*

*for the transactions described herein, the ability of Pacific Ridge and other parties to satisfy stock exchange and other regulatory requirements in a timely manner, the availability of financing for Pacific Ridge's proposed transactions and programs on reasonable terms, and the ability of third party service providers to deliver services in a timely manner. Investors are cautioned that any such statements are not guarantees of future performance and actual results or developments may differ materially from those projected in the forward-looking statements. Pacific Ridge does not assume any obligation to update or revise its forward-looking statements, whether as a result of new information, future events or otherwise, except as required by applicable law.*
