28.10.2016 | [Marketwired](#)

VANCOUVER, Oct. 28, 2016 - [HAWKEYE Gold & Diamond Inc.](#) (the "Company" or "HAWKEYE") (TSX VENTURE:HGO) (FRANKFURT:HGT; ISIN: CA42016R3027; WKN: A12A61) announces the TSX Venture Exchange (TSX.V or Exchange) has conditionally accepted the Issuer's private placement previously announced September 13, 2016 (news release No. 255 - 2016) and that the TSX.V does not object to the closing of a first tranche based upon the issuance of 2,811,167 Units at a price of \$0.12 per share for total proceeds of \$337,340. Management expects to file final documentation with the Exchange in the next few days but on or before November 3 to close the placement as previously announced and, subject to Exchange acceptance, may over subscribe the offering.

HAWKEYE also wishes to provide our shareholders and investment community with an update subsequent to a previously announced news release dated July 29, 2016 (news release No. 253 - 2016), whereby the Company disclosed it is actively sourcing cash flowing mining opportunities focused upon gold and silver within North America. HAWKEYE has narrowed its choice of property opportunities down to three which are all located in Mexico and provide the Company with blue sky upside. These gold, silver projects have infrastructure in place including milling facilities providing HAWKEYE the opportunity to be in production within months of closing a Joint Venture (JV).

News regarding our first JV will be forthcoming shortly.
