

Doubleview Capital Corp. Expands Mineralization Envelope At Hat Project

15.11.2016 | [The Newswire](#)

Vancouver - [Doubleview Capital Corp.](#) ("Doubleview") (TSX-V: DBV, OTCBB: DBLVF, GER: A1W038) is pleased to report that based on visual analysis, fully-financed ongoing drilling of the Lisle Zone mineralized corridor has expanded this potential large-scale gold-copper porphyry deposit at the Hat Project in northwest British Columbia's Sheslay district. Core photos from current drilling have been posted on the company's website.

<http://www.doubleview.ca/flagallery/drill-core-exploration-november-2016>

Mr. Farshad Shirvani, Doubleview President and CEO, stated: "Following a recent visit to the Hat Project, I was exceptionally pleased with the efficient and cost-effective progress of the drilling. I commend our geological and support teams and contractors for their cooperation and very significant contributions to all aspects of the exploration program. The Hat is one of British Columbia's most promising early-stage porphyry projects with tremendous exploration upside given our evolving and robust geological, geochemical and geophysical model. We look forward to updating shareholders again very soon on this exciting new round of drilling."

Investors are cautioned that visible mineralization as shown in website photographs is not necessarily representative of all parts of the Lisle Zone and there is no assurance that future drilling will intersect similar mineralization.

Qualified Person

Erik A. Ostensoe, P. Geo., a consulting geologist and Doubleview's Qualified Person with respect to the Hat Project as defined by National Instrument 43-101 Standards of Disclosure for Mineral Projects, has reviewed and approved the technical contents of this news release. He is not independent of Doubleview as he is both a shareholder and a co-optioner of the Hat Project.

About Doubleview Capital Corp.

Doubleview Capital Corp., a mineral resource exploration and development company, is based in Vancouver, British Columbia, Canada, and is publicly traded on the TSX-Venture Exchange [TSX-V: DBV], [OTCBB: DBLVF], [GER: A1W038]. Doubleview identifies, acquires and finances precious and base metal exploration projects in North America, particularly in British Columbia. Doubleview increases shareholder value through acquisition and exploration of quality gold, copper and silver properties and the application of advanced state-of-the-art exploration methods. The Company's portfolio of strategic properties provides diversification and mitigates investment risk.

On behalf of the Board of Directors,

Farshad Shirvani
President & Chief Executive Officer
