

ST HELIER, CHANNEL ISLANDS--(Marketwired - Dec. 1, 2016) - [Caledonia Mining Corporation plc](#) ("Caledonia" or the "Company") (TSX:CAL)(OTCQX:CALVF)(AIM:CMCL) confirms that, following the recent introduction of "Bond Notes" by the Reserve Bank of Zimbabwe ("RBZ"), there is no change to the settlement system in place for Blanket Mine in Zimbabwe for its gold sales.

Since January 2014, Blanket has sold all of its gold production to Fidelity Printers and Refiners Limited ("Fidelity"), which is a subsidiary of the RBZ. Blanket has received all sale proceeds within 48 hours of delivery to Fidelity in US dollars at a price which is 98.75% of the London afternoon "fix" on the day after delivery to Fidelity.

In terms of its continuing disclosure obligations, Caledonia would announce any change in the terms on which Blanket sells its gold production.
