Forward-looking Information

This news release includes certain statements that may be deemed to be "forward-looking information" within the meaning of applicable Canadian securities legislation that are based on the belief of management and reflect the Company's current expectation. All statements in this release, other than the statements of historical facts, that address events or developments that the Company expects to occur, are forward-looking information. Forward-looking information are generally, but not always, identified by the words "expects", "plans", "could" or "should" occur. Forward-looking information in this news release includes, without limitation, all statements regarding the Private Placement and the proposed use of proceeds to be raised pursuant to the Private Placement. By its nature, forward-looking information involve known and unknown risks, uncertainties and other factors which may cause our actual results, performance or achievements, or other future events, to be materially different from any future results, performance or achievements expressed or implied by such forward-looking information. Such factors include, among other things, the receipt of regulatory approval to the Private Placement; fluctuations in the Canadian dollar-Renminbi exchange rate; and those factors disclosed in the Company's publicly filed documents. Forward-looking information is also based on a number of assumptions, including, but not limited to, that all required stock exchange and other regulatory approvals to the Private Placement will be obtained. Although the Company believes that the expectations expressed in such forward-looking information are based on reasonable assumptions, such forward-looking information are not guarantees of future performance and actual results may differ materially from those in forward-looking information. The forward-looking information in this news release is provided as of the date of this news release, and Company disclaims any intention or obligation to update or revise such forward-looking information, except as required by applicable law. Accordingly, readers should not place undue reliance on forward-looking information.
