

Vancouver, BC (FSCwire) - [Far Resources Ltd.](http://www.farresources.com) (CSE:FAT) (FSE:F0R) ([www.farresources.com](http://www.farresources.com)) is pleased to announce that it has completed its accelerated acquisition of the Zoro1 mineral claim as announced on May 9, 2017 in consideration for 6,000,000 common shares of the Company at a deemed price of \$0.10 per share (the Payment Shares) and a non-interest bearing promissory note for \$100,000 payable in 12 months.

The 6,000,000 Payment Shares are subject to a statutory hold period of four months and one day; 1,666,667 Payment Shares are subject to an additional voluntary hold period expiring eight months after closing and an additional 1,666,667 Payment shares are subject to a further voluntary hold period expiring 12 months after closing.

Keith Anderson commented, "By accelerating our purchase of the Zoro1 mineral claim we are moving forward with our corporate mission to unlock the potential of historic mining camps. In particular, we believe that our Zoro Lithium project is an exciting opportunity for Far Resources as the market for alternative energy continues to grow. We plan to capitalize on this trend toward greener energy to the benefit of all our stakeholders."

### Financing

The Company also announces that it will conduct a financing to raise up to \$300,000 (the Financing). The Financing will consist of up to 3,333,334 units (the Units) at a price of \$0.09 per Unit. Each Unit will consist of one common share (each a Share) and one half (1/2) of one common share purchase warrant (the Warrants). Each whole Warrant will be exercisable by the holder into one Share of the Company at a price of \$0.15 per Share for a period of one year from close of financing. All securities issued pursuant to this Financing will be subject to a 4-month and one day hold period from the date of closing. The proceeds of the Financing will be used to advance the Company's strategic plan including additional exploration of the Zoro Lithium property and for general working capital purposes. The Company may offer a finders' fee in connection with the Financing. All amounts quoted in this news release are in Canadian dollars.

### About the Company

[Far Resources Ltd.](http://www.farresources.com) is an exploration company, publicly traded on the Canadian Securities Exchange under the symbol FAT, focused on the identification and development of high potential mineral opportunities in stable jurisdictions. Far Resources may acquire or option properties of merit to meet its ongoing goal to locate, advance and unlock the potential of these mineral opportunities. Far Resources currently has two mineral projects in place. The Zoro Lithium project covers a number of known lithium pegmatite occurrences and is located near Snow Lake, MB. Manitoba has been ranked as the world's second best jurisdiction for mining investment by the Fraser Institute. The second project is the Winston project in New Mexico, USA, another historic mining property with potential for silver and gold; New Mexico is also listed by the Fraser Institute, ranking in the top 25 mining jurisdictions in the world. Please visit our updated website at [www.farresources.com](http://www.farresources.com) for full details on our current projects. Far Resources has optioned its wholly owned Tchentlo Lake Property in British Columbia, Canada to Alchemist Mining Inc.
