

Cresval Capital Corp.: Announces Non-Brokered Private Placement

13.06.2017 | [GlobeNewswire](#)

VANCOUVER, June 13, 2017 - [Cresval Capital Corp.](#) ("Cresval", or the "Company") (TSX-V:CRV) announces that the Company intends to raise up to \$300,000 by way of a non-brokered private placement (the "Offering") through the sale of up to 4,000,000 units ("Units") at price of \$0.05 per Unit and up to 1,333,333 flow-through shares of the Company at a price of \$0.075. Each Unit will consist of one common share and one common share purchase warrant. Each warrant will entitle the holder thereof to purchase one additional common share at a price of \$0.10 for a period of two (2) years following the closing.

In addition to other prospectus exemptions commonly relied on in private placements, the Company will also make the Offering available to certain subscribers pursuant to BC Instrument 45-536 - Exemption from prospectus requirement for certain distributions through an investment dealer (the "Investment Dealer Exemption"). In accordance with the requirements of the Investment Dealer Exemption, the Company confirms that there is no material fact or material change about the Company that has not been generally disclosed.

The Company may pay commissions of 7% to eligible parties in connection with this financing, payable either in cash or in warrants. The net proceeds of this Offering will be used for exploration and assessment on the Company's three mineral projects, including the MIKE claims, located in southwestern British Columbia, and adjoining the IKE claims, currently being explored by HDI/Amarc, and for general working capital purposes.

The financing is subject to the acceptance of the TSX Venture Exchange. The securities issued by the Company in connection with this financing are subject to a hold period of four months and one day from the date of distribution, as prescribed by the policies of the TSX Venture Exchange and applicable securities laws.

About Cresval Capital

Cresval is a junior copper and precious metals exploration company actively involved in the exploration of three 100% owned projects situated near the productive Bralorne Gold camp in the Lillooet Mining Division in southwestern British Columbia.

Further information on Cresval's projects is available on the Company's website at www.cresval.com.
