

TSX Venture Symbol: COR

VANCOUVER, July 26, 2017 /CNW/ -

To those Holders of Share Purchase Warrants dated February 14, 2017:

Please be advised that [Camino Minerals Corp.](#) ("Camino" or the "Company") (COR: TSX-V) is accelerating the expiry date of the share purchase warrants dated February 14, 2017.

The share purchase warrants were issued in connection with a private placement of units, with each share purchase warrant being exercisable into one additional common share of the Company at a price of \$0.25 per share until February 14, 2019 (the "Warrants").

The Warrants were subject to the right of the Company to accelerate the expiry date of the Warrants if the Company's common shares close at or above \$0.35 per share for more than 10 consecutive trading days. The Company is entitled to accelerate the expiry of the Warrants to that date that is 30 business days from the date of issuance of a news release announcing the exercise of the acceleration right. The news release was issued on July 26, 2017.

The expiry date of the Warrants has now been accelerated to September 11, 2017.

In order to exercise your Warrants, you are required to complete and submit the Notice of Exercise attached to your respective warrant certificate on or before 5:00 pm on September 11, 2017. For detailed exercise requirements, please refer to your Warrant Certificate.

Should you have any questions, please contact the Company at 604-566-8778.

About Camino Minerals Corporation

Camino is a discovery-oriented mineral exploration company. The Company is focused on the acquisition and development of high-grade copper and precious metal projects. For more information, please refer to Camino's website at www.caminominerals.com.

Cautionary Note Regarding Forward-Looking Statements and Information

This News Release contains "forward-looking information" and "forward looking statements" within the meaning of applicable Canadian and United States securities legislation. Statements contained herein that are not based on historical or current fact, including without limitation statements containing the words "anticipates," "believes," "may," "continues," "estimates," "expects," and "will" and words of similar import, constitute "forward-looking statements" within the meaning of the U.S. Private Securities Litigation Reform Act of 1995.

Forward-looking information may include, but is not limited to, information with respect to our planned exploration activities, the adequacy of our financial resources, the estimation of mineral reserves and resources, the results of future exploration and drilling. Wherever possible, words such as "plans", "expects", "projects", "assumes", "budget", "strategy", "scheduled", "estimates", "forecasts", "anticipates", "believes", "intends", "targets" and similar expressions or statements that certain actions, events or results "may", "could", "would", "might" or "will" be taken, occur or be achieved, or the negative forms of any of these terms and similar expressions, have been used to identify forward-looking statements and information.

Forward-looking information is subject to a variety of known and unknown risks, uncertainties and other factors that could cause actual events or results to differ from those expressed or implied by the forward-looking information, including, without limitation, those risks identified in the Company's annual disclosure materials, filed with the securities regulatory authorities in Canada and available at www.sedar.com. Readers are encouraged to read these materials. Prospective investors should not place undue reliance on forward-looking information.

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
