## About Goliath Resources Limited

Goliath is a mineral exploration company in British Columbia, Canada. Goliath owns the option to acquire 100% of the Lucky Strike Property, the Golddigger Property, the Copperhead Property and the Bingo Property (the "Optioned Properties") from the J2 Syndicate ("J2S"). All of the Optioned Properties are located in the Golden Triangle mining district and surrounding area in British Columbia, Canada. The J2S is providing their technical experience and field team to Goliath's exploration activities. The J2S' Managing Director forms part of Goliath's technical advisors and is its exploration programme manager. The J2S team includes members of the original team which generated, prospected and staked the Coffee Creek claims in 1998. This exploration team was responsible for discovering the gold in soil anomaly in 1999 and 2000 that now forms the nucleus of the Supremo zone. This discovery evolved into a 5 million ounce gold resource that was recently bought by GoldCorp Inc. for \$520 million. This team also includes some of the original members that staked and generated the Plateau Project in the Yukon for Goldstrike Resources Ltd. which has recently completed a \$53M joint venture with Newmont Mining Corporation.
