

Clean Commodities Corp. Announces LEI Number

29.12.2017 | [CNW](#)

VANCOUVER, Dec. 29, 2017 /CNW/ - [Clean Commodities Corp.](#) (TSX VENTURE: CLE)(FRANKFURT: A2ALYM)("Clean Commodities" or the "Corporation") is pleased to report that the Corporation has been assigned the Legal Entity Identifier ("LEI") number of 549300BF002QQKYZ35.

The European Union has adopted regulations that require use of the LEI as a barcode equivalent aimed at pinpointing systemic risks.

About the Legal Entity Identifier (LEI)

The Legal Entity Identifier (LEI) number is a 20-digit alphanumeric code. It is an internationally standardized and globally valid identifier for financial market participants. Its purpose is to clearly and unequivocally identify contracting parties (e.g., companies, banks and investment funds). It is used to comply with a variety of financial reporting requirements. The Deutsche Börse Group has stated that "the LEI will clearly assist the regulatory authorities in monitoring and analysing threats to the stability of the financial markets, (but) it can also be utilised by counterparties internally for risk management purposes."

Clean Commodities meets the requirement for all companies listed on German Stock Exchanges (e.g. the Frankfurt Stock Exchange) to have an LEI number in place prior to January 3, 2018.

Pursuant to the Deutsche Börse Group website, the LEI number will affect most aspects of the securities markets in Europe, including trading, clearing, settlement, custody, collateral and liquidity management, market data and indices.
