

Far Resources Announces Passing of Co-Founder and Former CEO Keith Anderson

09.03.2018 | [FSCwire](#)

Vancouver, BC (FSCwire) - [Far Resources Ltd.](#) (CSE:FAT) (FSE:F0R) (OTC:FRRSF) ([www.farresources.com](#)) (” or the “Company”) is sad to announce the passing of founding CEO Keith Anderson. Toby Mayo, Interim CEO, stated, “It is difficult for the entire team here at Far as we move forward without Keith. He had clear ideas and plans for the future of the Company and our projects, and we are pleased to honour his legacy.”

Keith founded Far Resources with his brother, Frank Anderson, a member of the Board of Directors. Together, they recognized the potential in the lithium industry, and the potential for lithium directly in Canada. The Zoro Project, and also now the Hidden Lake Project, are precisely the type of projects they envisioned in the early days of the Company. Now with the right people to make it happen, the team is committed to advance his vision of a world-class lithium resource.

Keith Anderson had a long and successful career in the financial services sector, including having served as Vice President at Canaccord Capital. He took the helm at Far Resources after leaving Canaccord, and saw the Company through its initial public offering and kept it advancing through lean times in the sector.
