

New Carolin Gold Corp.: New Advisor

06.06.2018 | [The Newswire](#)

Vancouver, June 6, 2018 - [New Carolin Gold Corp.](#) ("New Carolin" or the "Company") (TSX.V "LAD" and OTCBB "LADFF") is very pleased to announce that Mr. Frank Hogel has agreed to become an advisor to the Company.

Mr. Hogel holds a Master of Business Administration (FH) degree with a focus on Financial Management, Banking, International Business and Management and began his career with a London interdealer broker, GFI Group, involved in various forms of stocks, warrants and bonds. He has since developed a broad base of experience in global investments, where his expertise has been primarily focused on the structuring, initiation and completion of international convertible debenture financings. He also serves as an Asset Manager actively involved in the financial evaluation of companies and convertible debenture structuring. Of greatest interest to the Company is the fact that his background includes more than sixteen years of direct experience in the mining industry with Canadian resource companies where he has sat on numerous Boards of Directors and Advisory Boards. Mr. Hogel has international financing experience and has raised over \$500 million during his career. He also brings with him the ability to analyze expansion and acquisition opportunities. Presently, Mr. Hogel, serves as the Chief Executive Officer at Peter Beck Performance Fonds GbR. and is a Member of the Advisory Board of Concept Capital Management Ltd..

Kenneth Holmes, President of the Company said "...we are very pleased to have been able to have Mr Hogel join our team as an advisor to the Company. We believe that we have a world class project and that it deserves world class treatment. Mr Hogel's experience clearly puts him in that category.

New Carolin Gold is a Canadian-based junior company focused on the exploration, evaluation and development of our 100% owned property consisting of 144 square kilometers of contiguous mineral claims and crown grants, collectively known as the "Ladner Gold Project" (Project). The Project is located near Hope, BC in the prospective and under-explored Coquihalla Gold Belt, which is host to several historic small gold producers including the Carolin Mine, Emancipation Mine and Pipestem Mine, and numerous gold prospects.
