Each Unit consists of one common share of the Company ("Common Share") and one common share purchase warrant ("Warrant"). The Company entered into finder's agreements with finders to assist the Company with the Offering. The finder's agreements entitle the finders to receive a cash fee equal to 6% of the gross proceeds raised in the Offering from purchasers directly introduced to the Company by the finders ("Purchasers"). Additionally, the Company issued the finders share purchase warrants (the "Finders Warrants") equal to 6% of the number of Units sold to purchasers directly introduced to the Company by such finders.
