

Ross River Minerals Inc. to Acquire Innovate Phytotechnologies Inc.

09.08.2018 | [GlobeNewswire](#)

VANCOUVER, Aug. 08, 2018 - [Ross River Minerals Inc.](#) (TSX-V: RRM.H) (the "Company" or "Ross River"), a company listed on the NEX Board of the TSX Venture Exchange (the "TSXV"), is pleased to announce that it has signed an Amalgamation Agreement dated August 8, 2018 (the "Agreement") pursuant to which the Company will acquire (the "Proposed Transaction") all of the outstanding shares of Innovate Phytotechnologies Inc.

(the "Innovate"), a cutting-edge analytical research and development organization providing licensing and product development solutions in the cannabis, food, drug and health products sectors. Activities conducted by Innovate include: (1) conducting full spectrum regulatory consulting, product development, and analytical testing solutions; (2) conducting related pharma-like, good laboratory practices compliant research and development activities and intellectual property development; (3) applying to become a Licensed Producer of cannabis in Canada, (4) developing and marketing hemp-based natural health products, and (5) conducting pre-clinical and clinical studies in various industry sectors. It is intended that the combined company (the "Resulting Issuer") will be a multifaceted company engaged in various areas of the cannabis, food, drug and health products industries.

Summary of the Proposed Transaction

The Proposed Transaction will be effected by way of a three-cornered amalgamation without court approval under the provisions of the *Business Corporations Act* (British Columbia) (the "BCBCA"). Innovate will amalgamate with a newly incorporated wholly-owned subsidiary of the Company and will become a wholly-owned subsidiary of the Company on completion of the Proposed Transaction and the shareholders of Innovate will exchange their shares in Innovate for common shares of the Company. Upon completion of the Proposed Transaction, the Resulting Issuer will continue on with the business of Innovate.

The Resulting Issuer intends to voluntarily de-list its common shares from the NEX Board of the TSXV and apply for listing on the Canadian Securities Exchange (the "CSE"). In accordance with TSXV requirements, the Company will be seeking majority of the minority shareholder approval in connection with the de-listing.

Prior to the closing of the Proposed Transaction, Ross River will change its name to "Innovate PhytoTechnologies Inc.", or such other name as may be agreed upon the parties.

The Company currently has 8,575,999 common shares outstanding and share purchase warrants outstanding entitling the holders to purchase 4,824,999 common shares at a price of \$0.20 per common share on or before March 12, 2019.

The Company will issue the following securities in connection with the Proposed Transaction:

- to the shareholders of Innovate, 50,758,969 common shares and performance warrants entitling them to purchase up to 9,350,000 common shares at a price of \$0.02 per common share on or before March 31, 2023, provided that the Resulting Issuer and its affiliates achieve certain sales revenue and market capitalization targets;
- an aggregate of approximately 14,285,714 common shares pursuant to the automatic conversion of convertible notes to be issued in connection with a private placement financing to raise gross proceeds of approximately \$5,000,000 to be completed following entering into of the Agreement, being a conversion price of \$0.35 of convertible note principal for each common share of the Company (the "Note Financing"); and
- an aggregate of approximately 6,666,666 common shares pursuant to a private placement financing for gross proceeds of \$5,000,000 to be completed concurrently with closing of the Proposed Transaction (the "Concurrent Financing");
- outstanding share purchase warrants of Innovate entitling the holders to purchase up to 10,758,969 common shares at a price of \$0.30 per common share will be exercisable for common shares of the Resulting Issuer on a one for one basis; and
- an aggregate of 1,000,000 common shares as a finders' fee to parties at arms-length to the Company.

In relation to both the Note Financing and the Concurrent Financing, the Company may pay finder's fees to certain parties in accordance with applicable laws.

On closing of the Proposed Transaction and the financings, it is anticipated that there will be approximately 102,287,350 common shares of the Resulting Issuer issued and outstanding (129,887,986 common shares on a fully diluted basis). Certain of the common shares issued by Ross River pursuant to the Proposed Transaction will be subject to restrictions on resale or escrow under the policies of the CSE or applied on a contractual basis.

Additional information concerning the Proposed Transaction will be disclosed in a subsequent news release, including information in respect of the proposed directors and officers of the Resulting Issuer once available.

Conditions to the Proposed Transaction

The completion of the Proposed Transaction remains subject to a number of terms and conditions, including, among other things:

- completion of the Note Financing and Concurrent Financing;
- each of Innovate and the Company having received all required shareholder approvals;
- the Proposed Transaction being effective on or prior to December 31, 2018;
- each of the parties obtaining all necessary consents, orders and regulatory approvals, including conditional listing approval of the CSE;
- dissent rights not having been exercised by greater than 5% of the shareholders of each of Innovate;
- no material change occurring to the business of each of the parties;
- the satisfaction of obligations under the Amalgamation Agreement relating to each of the parties; and
- the delivery by each of the parties of customary closing documents.

The common shares of the Company were halted effective August 8, 2018 and are not expected to recommence trading on the TSXV prior to delisting in connection with the completion of the Proposed Transaction. The Proposed Transaction is anticipated to close on or before November 30, 2018. The Proposed Transaction is an arms-length transaction.
