

# Cobalt Blockchain Extends Private Placement

30.08.2018 | [CNW](#)

TORONTO, Aug. 30, 2018 - [Cobalt Blockchain Inc.](#) ("COBC" or the "Company") (TSXV:COBC) is extending its previously announced brokered equity private placement of up to 12 million common shares at a price of 25 cents per common share, for gross proceeds of up to \$3-million.

In connection with the private placement, the company has agreed to pay IBK Capital Corp. a cash commission equal to 8 per cent of the amount raised and broker warrants equal to 10 per cent of the number of common shares issued pursuant to the private placement. Each broker warrant is exercisable into one common share at a price of 25 cents per common share for a period of five years from the date of issuance.

The private placement is subject to all necessary regulatory approvals. The securities being issued in the private placement will be subject to a four-month hold period in accordance with applicable Canadian securities laws.

## About Cobalt Blockchain Inc.

[Cobalt Blockchain Inc.](#) (TSXV:COBC) is a Canadian resource company expanding its exploration and development business to include cobalt assets in the Democratic Republic of the Congo (DRC). COBC has acquired a 100% interest in an existing metals trading business specializing in sourcing minerals from artisanal and small-scale mines in the DRC, in compliance with international procurement standards. Leveraging its experience with existing supply chain due diligence initiatives, COBC is working with partners to develop a blockchain based reporting platform to provide greater certainty of provenance and further assurance that all minerals procured are ethically-sourced. Senior management have over twelve years of experience working in the DRC and a proven international track record in exploration success and the trading of certified conflict-free, child-labour-free minerals.
