

# Comstock Mining Announces Update on Non-Mining Asset Sales

27.11.2018 | [GlobeNewswire](#)

VIRGINIA CITY, Nov. 27, 2018 - [Comstock Mining Inc.](#) (the "Company") (NYSE American: LODE) announced progress on its non-mining asset sales. The sale of the Gold Hill Hotel, to a local, experienced hotelier remains on schedule for closing in December. The buyer completed the final walk through inspection of the property last week with no material issues noted. In addition, the Company has entered into discussion and negotiation with local investors for the sale of its non-mining assets located in Silver Springs, Nevada.

Corrado De Gasperis, Executive Chairman and CEO commented, "The sale process for the Gold Hill Hotel has progressed without incident and we have and continue to be impressed by the professionalism, care and community involvement of the new owners and we warmly welcome them to the Comstock. We are also thrilled by the interest of Nevada-based investors who are focused on opportunity zone investments in Storey and Lyon counties."

On November 23, the Company was notified by the agent of the buyer of the Daney Ranch, that the proposed buyer was opting to terminate its offer of \$3.25 million, previously announced to close later this month. The Company will relist the property for \$4 million this week.

Mr. De Gasperis concluded, "Our non-mining land sales are progressing toward the goal of eliminating our debt, and we expect this to be completed in the first half of next year, and possibly sooner. We anticipate the principal amount of the company's secured debenture at year end will be approximately \$7.8 million, with \$14 million of remaining non-mining asset sales to be completed in 2019."

About Comstock Mining Inc.

[Comstock Mining Inc.](#) is a Nevada-based, gold and silver mining company with extensive, contiguous property in the Comstock District and is an emerging leader in sustainable, responsible mining. The Company began acquiring properties in the Comstock District in 2003. Since then, the Company has consolidated a significant portion of the Comstock District, amassed the single largest known repository of historical and current geological data on the Comstock region, secured permits, built an infrastructure and completed its first phase of production. The Company continues evaluating and acquiring properties inside and outside the district expanding its footprint and exploring all of our existing and prospective opportunities for further exploration, development and mining. The near-term goal of our business plan is to maximize intrinsic stockholder value realized, per share, by continuing to acquire mineralized and potentially mineralized properties, exploring, developing and validating qualified resources and reserves (proven and probable) that enable the commercial development of our operations through extended, long-lived mine plans and developments that are economically feasible and socially responsible.

Forward-Looking Statements
