

First Bauxite Shareholders Approve Going Private Transaction; Notified of Court Petition

10.12.2018 | [GlobeNewswire](#)

NEW ORLEANS, Dec. 10, 2018 - [First Bauxite Corp.](#) ("First Bauxite" or the "Company") is pleased to announce that further to its news releases dated October 29 and November 13, 2018, the Company's shareholders approved a special resolution (the "Special Resolution") in respect of the Company's previously announced going-private transaction by way of a statutory plan of arrangement (the "Arrangement") at its special meeting of shareholders (the "Meeting") held on Friday, December 7, 2018 in Toronto, Ontario.

Of the 507,388,302 common shares represented at the Meeting (being 92.614% of the issued and outstanding common shares of the Company), 498,605,322 common shares (or 98.269% of the votes cast at the Meeting) voted for the Special Resolution and 8,782,980 common shares (or 1.731% of the votes cast at the Meeting) voted against the Special Resolution. There was no other business brought forward at the Meeting.

The Arrangement remains subject to, among other things, the final approval of the Supreme Court of British Columbia (the "Court"). The hearing for the final court order (the "Final Order") to approve the Arrangement is scheduled to take place on December 12, 2018, with the effective date of the Arrangement expected to occur on or about December 13, 2018.

Further details regarding the terms of the Arrangement are set out in the management information circular of First Bauxite dated November 6, 2018, which is available at www.sedar.com.

The Company also announces that it has received correspondence and unfiled affidavits and a Petition to the Court (the "Petition") from legal counsel engaged by a group of minority shareholders of the Company advising that they intend to contest the granting of the Final Order and file the Petition to seek: a declaration that the Arrangement is unfairly prejudicial to the minority shareholders of the Company; an order prohibiting the Company from proceeding with the Arrangement; an order setting aside the Arrangement and any shareholder resolutions approving same; and costs. The Company believes that the claims set out in the Petition are without merit and do not state any valid basis for the relief sought. The Company will vigorously oppose such claims as the Arrangement is fair and reasonable, both procedurally and substantively, to the shareholders of the Company (excluding majority shareholders Resource Capital Fund V L.P. and Resource Capital Fund VI L.P.)
