## Business Summary and Development

## 1. Equity Investments and Debentures

The investment objective of the Company is to seek superior returns by making investments in equity, debt or other securities of publicly traded or private companies or other entities as well as direct ownership stakes in projects. New investments will be directed by an Investment Committee and guided by the Company's Investment Policy which governs its investment activities and investment strategy.

### (a) Equity Investments

Equity investments represent equity interests of publicly-traded or privately-held companies that the Company has acquired. It is summarized as follows:

#### (i) Gold Project in Xinjiang

The Company owns a 70% equity interest in Xinjiang Tongyuan Minerals Limited which is developing the Sawayaerdun Gold Project (the "Gold Project") in Xinjiang. The exploration licence and the mining licence expired by the end of 2018. The renewal of the mining licence was officially announced on the website of the Department of Land and Resources on January 23, 2019. At the reporting date, the Company awaited for the collection notice of the renewed mining licence from the relevant authorities. The application documents for retention of the exploration licence are under government review. Due to backlog of applications of licences and the proposed ecological criteria in Xinjiang, it is anticipated that the licences will be issued after the backlog is cleared.

The on-site industrial test on the gold processing methodology by applying bio-tech methodology on extraction of metals from large scale samples of gold ores has been started in 2019. Subject to satisfactory on-site industrial test results, GobiMin will formulate the corresponding development scheme which would substantially reduce the production costs of the Gold Project. After the industrial results, formal documents on negotiation with a potential investor to develop the Gold Project are expected to be signed.

As at March 31, 2019, there was addition of \$47,000 in the exploration and evaluation assets and the Group had a contractual commitment of \$1.7 million for the development of the Gold Project.

#### (ii) Others

The Group owns 40,260,000 shares of Loco Hong Kong Holdings Limited ("LocoHK"). LocoHK is a company incorporated in Hong Kong which is principally engaged in metal trading and processing. Its shares are listed on GEM of The Stock Exchange of Hong Kong Limited under the stock code 8162. For the three months ended March 31, 2019, the fair value gain on investment in LocoHK was \$0.9 million (Q1 2018: loss of \$26,000).

The Group invested about \$4.1 million in Dragon Silver Holdings Limited ("Dragon Silver") by way of (1) an equity investment of \$1.1 million in 670,000 shares, representing 9.90% of its total issued capital; and (2) a loan of \$3 million, bearing interest at 8.5% per annum and repayable on demand at a notice of 7 days. Dragon Silver is a Hong Kong based company mainly engaged in trading, production, processing and investment in precious metals and non-ferrous metals and related products. For the three months ended March 31, 2019, the Group received from Dragon Silver interest income of \$0.1 million (Q1 2018: \$0.1 million).

For the three months ended March 31, 2019, the fair value gain on other listed securities was \$12,000 (Q1 2018: nil) and certain unlisted equity investment was disposed at carrying value.

### (b) Debentures and Certificate of Deposit

The Group would hold debentures and certificate of deposit bearing low risks and reasonable interest return from various industries through the open market. Debentures are held to receive coupon interest payments as well as to realize potential gains. The Group may dispose of debentures through the open market when the Group requires funds for operational or other investment needs.

As at March 31, 2019, the Group held \$5.2 million (December 31, 2018: \$6.6 million) debentures with coupon rates ranged from 4.250% to 7.750% (December 31, 2018: 4.250% to 9.000%) per annum and maturities ranged between September 17, 2019 and perpetual (December 31, 2018: November 3, 2019 and perpetual).

As at March 31, 2019, the Group held \$2.1 million (December 31, 2018: nil) certificate of deposit with

coupon rates ranged from 2.380% to 2.760% per annum and maturities ranged between May 21, 2019 to September 12, 2019.

## 2. Liquidity and Capital Resources

As at March 31, 2019, the working capital of the Group amounted to approximately \$21.5 million (December 31, 2018: \$19.3 million), by netting off its current assets of \$24.4 million (December 31, 2018: \$22.8 million) with current liabilities of \$2.9 million (December 31, 2018: \$3.5 million).

Taking into account of its financial position, the management of the Group considered that its cash and cash equivalents will be more than sufficient to finance its operation, including the contractual commitments of the Gold Project of approximately \$1.7 million.
