

Centurion Minerals Ltd. Announces Director Changes and Update on Strategic Review

18.10.2019 | [Newsfile](#)

Vancouver, Oct. 17, 2019 - [Centurion Minerals Ltd.](#) (TSXV: CTN) ("Centurion", or the "Company") wishes to announce the resignation of Mr. Stephen Wilkinson from the Company's Board of Directors and the appointment of Mr. Jeremy Wright CPA, CMA.

Mr. Wilkinson is retiring to spend more time with his family and his other business ventures. The Company truly wishes to thank Mr. Wilkinson for his ongoing advice and valuable guidance and wishes him well in his future endeavors.

Mr. Wright has been the Company's Chief Financial Officer ("CFO") since November 2015, and has been instrumental to the Board over the past 6 months in relation to the Company's cannabis strategic review identifying and evaluating potential acquisitions, including geographic focus and corporate direction based on the near-term opportunity for large-scale industrial production of CBD and THC-based cannabis and derivative products in low-cost stable jurisdictions.

Mr. Wright has broad experience working with senior management developing strategies and solutions to business issues mainly related to corporate finance, cost and risk management, and governance which will serve invaluable in his role as a Director of the Company. Mr. Wright is a Chartered Professional Accountant (Certified Management Accountant), currently serves as a Director of AmWolf Capital, Freeform Capital, and Demetra Minerals, and previously served as a Director of Pacific Community Resources Society and the Canadian Freestyle Ski Association. In addition to acting as the CFO for Centurion, Mr. Wright also serves as the CFO for several public and private companies including: Ecoland Biosciences, Portofino Resources, AmWolf Capital, Freeform Capital, and PayVida Solutions. He was previously the CFO for GTEC Holdings, a vertically integrated ultra premium cannabis producer having 3 operating licensed producers across Canada. Mr. Wright holds a Bachelor of Arts, with honours in Environmental Economics from Brock University.

Cannabis Strategic Review

The Company is currently undertaking due diligence on several operating assets and opportunities in Uruguay, Argentina, Paraguay and Peru. On a recent trip to Argentina, Uruguay and Paraguay, management held detailed follow-up meetings with groups directly involved with the industry from an operational, legal and government oversight capacity. Meetings also included preliminary discussions with the Argentine Ministry of Agriculture in order to determine the legalities and necessary steps required to pursue a collaboration agreement with the federal government. The Company is close to finalizing due diligence on several opportunities and intends to provide a comprehensive update upon completion.

ABOUT CENTURION

[Centurion Minerals Ltd.](#) is a Canadian-based company with a focus on South American asset development. The Company's lead investment is its interest in the Ana Sofia Agri-Gypsum Fertilizer Project.
