

Radisson provides update on its exploration work at the O'Brien gold project

25.03.2020 | [GlobeNewswire](#)

ROUYN-NORANDA, March 25, 2020 - [Radisson Mining Resources Inc.](#) (TSX-V: RDS, OTC: RMRDF): (Radisson or the Company) announces today that in response to the order of the Government of Quebec to close all non-essential businesses until April 13, 2020 it has suspended exploration activities at the 100% owned O'Brien gold project located along the Larder-Lake-Cadillac Break, halfway between Rouyn-Noranda and Val-d'Or in Abitibi-Temiscamingue, Quebec.

To date, Radisson has had no suspected or confirmed cases of COVID-19 and had implemented a specific COVID-19 protocol on March 12 to protect its employees. The health and safety of Radisson's employees, their families and the communities in which we operate remains the main priority of the company. Radisson wishes to thank its employees, consultants, contractors and stakeholders for their support and understanding, and looks forward to resuming activities as soon as possible, in adherence to all legal and regulatory frameworks.

Following government directives, the Company has also implemented teleworking for all its departments. During this period, the team will continue to work remotely and as efficiently as possible, taking the opportunity to interpret data, optimize processes to ramp-up activities when the situation improves.

Insiders buying

With more than \$7 million in treasury, Radisson remains well-financed. Since the beginning of 2020, insiders of the Company have acquired a total of 1,250,400 shares of the Company on the Toronto Venture Stock exchange, increasing Management & Insider ownership to a total of 10.84%.

[Radisson Mining Resources Inc.](#)

Radisson is a well-financed gold exploration company focused on its 100% owned O'Brien project, located in the Bousquet-Cadillac mining camp along the world-renowned Larder-Lake-Cadillac Break in Abitibi, Quebec. The Bousquet-Cadillac mining camp has produced over 21,000,000 ounces of gold over the last 100 years. The project hosts the former O'Brien Mine, considered to have been the Abitibi Greenstone Belt's highest-grade gold producer during its production (1,197,147 metric tons at 15.25 g/t Au for 587,121 ounces of gold from 1926 to 1957; Kenneth Williamson 3DGeo-Solution, July 2019). Certain information contained in the press release are subject to receipt of all regulatory approvals. Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.

Forward-Looking Statements

All statements, other than statements of historical fact, contained in this press release including, but not limited to, those relating to the intended use of proceeds of the Offering, the development of the O'Brien project and generally, the above "About Radisson Mining Resources Inc." paragraph which essentially describes the Corporation's outlook, constitute "forward-looking information" or "forward-looking statements" within the meaning of applicable securities laws, and are based on expectations, estimates and projections as of the time of this press release. Forward-looking statements are necessarily based upon a number of estimates and assumptions that, while considered reasonable by the Corporation as of the time of such statements, are inherently subject to significant business, economic and competitive uncertainties and contingencies. These estimates and assumptions may prove to be incorrect. Many of these uncertainties and contingencies can directly or indirectly affect, and could cause, actual results to differ materially from those expressed or implied in any forward-looking statements and future events, could differ materially from those anticipated in such statements. A description of assumptions used to develop such forward-looking information and a description of risk factors that may cause actual results to differ materially from forward looking information can be found in Radisson's disclosure documents on the SEDAR website at www.sedar.com.

By their very nature, forward-looking statements involve inherent risks and uncertainties, both general and specific, and risks exist that estimates, forecasts, projections and other forward-looking statements will not be achieved or that assumptions do not reflect future experience. Forward-looking statements are provided for the purpose of providing information about management's endeavours to develop the O'Brien project and, more generally, its expectations and plans relating to the future. Readers are cautioned not to place undue reliance on these forward-looking statements as a number of important risk factors and future events could cause the actual outcomes to differ materially from the beliefs, plans, objectives, expectations, anticipations, estimates, assumptions and intentions expressed in such forward-looking statements. All of the forward-looking statements made in this press release are qualified by these cautionary statements and those made in our other filings with the securities regulators of Canada. The Corporation disclaims any intention or obligation to update or revise any forward-looking statements or to explain any material difference between subsequent actual events and such forward-looking statements, except to the extent required by applicable law.
