THIS NEWS RELEASE IS NOT FOR DISTRIBUTION TO U.S. NEWSWIRE SERVICES OR FOR DISSEMINATION IN THE UNITED STATES

VANCOUVER, June 17, 2020 - Barksdale Resource Corp. ("Barksdale" or the "Company") (TSXV:BRO)(OTCQB:BRKCF) is pleased to announce that it has secured an option to acquire a 100% interest in a patented mining claim. The property is located within close proximity to the Company's projects in Arizona and is surrounded by South32's Hermosa project.

Under the terms of an option agreement dated June 15, which is subject to TSX Venture Exchange acceptance, Barksdale will pay the arm's length vendors ("Optionors") 89,445 common shares of Barksdale to acquire a twelve-month option over the property. The option will give Barksdale the right, but not the obligation, to acquire a 100% interest in the patented mineral claim from the Optionors in consideration for US$50,000 worth of Barksdale shares and US$50,000 in cash. All shares issued to the Optionors will be subject to a four month hold period.

Barksdale's President and CEO, Rick Trotman commented, "This marks the fifth property deal that Barksdale has inked since late 2017 when we made our commitment to this world-class mineral district. Over the past few months, we have seen an increase in the number of local owners interested in working with us and are hopeful that we will be able to continue to further consolidate our land position within the district."

About Barksdale Resources Corp.

Barksdale is a base metal exploration company headquartered in Vancouver, BC, that is focused on the acquisition and exploration of highly prospective base metal projects in the United States. Barksdale's portfolio of assets is located within a world-class base metal district in southern Arizona and is surrounded by some of the world's largest mining companies.
