## About Far

[Far Resources Ltd.](#) is a Canadian battery and technology metals exploration and development company with lithium exploration projects in Canada and the USA. In Canada, Far is advancing its Zoro Lithium Project, located in the mining-friendly Snow Lake region of Manitoba. Zoro covers numerous known lithium pegmatite dykes and hosts the company's 1.1 million tonne resource (0.93% Li<sub>2</sub>O at a 0.3% cutoff), plus an additional fifty targets. The company also holds a 60% stake in the Hidden Lake Lithium Project in Northwest Territories. In the USA, the company owns the Winston Project in New Mexico, a historic mining property with potential for bonanza-grade silver and gold.

More information is available at Far's website: [www.farresources.com](http://www.farresources.com).

## Forward Looking Statements

This news release may contain forward-looking statements, which relate to future events or future performance, including planned exploration, and reflect management's current expectations and assumptions. Such forward-looking statements reflect management's current beliefs and are based on assumptions made by and information currently available to the company. Readers are cautioned that these forward looking statements are neither promises nor guarantees, and are subject to risks and uncertainties that may cause future results to differ materially from those expected. All of the forward-looking statements made in this news release are qualified by these cautionary statements and those in our continuous disclosure filings available on SEDAR at [www.sedar.com](http://www.sedar.com). These forward-looking statements are made as of the date hereof and the company does not assume any obligation to update or revise them to reflect new events or circumstances save as required under applicable securities legislation. This news release does not constitute an offer to sell securities and the company is not soliciting an offer to buy

securities in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of such jurisdiction.
