

Delta Signs Drill Contract for Chibougamau, Quebec

20.10.2020 | [ACCESS Newswire](#)

KINGSTON, October 20, 2020 - [Delta Resources Ltd.](#) ("Delta" or "the Company") (TSXV:DLTA)(OTC PINK:GOLHF)(FRA:6G01) is pleased to announce that it has signed a drill contract with Miikan Drilling Limited of Chibougamau, Quebec.

The contract is for a minimum of 5,000 metres and may extend up to 10,000 metres of NQ core. The drill campaign is for the Delta-2 property in Chibougamau, Quebec where Delta will drill a number of Gold and VMS targets. Drilling is expected to begin in October when a drill becomes available and further details on the start date and specific targets to be drilled will be announced shortly.

About Delta Resources Limited

[Delta Resources Ltd.](#) is a Canadian mineral exploration company focused on growing shareholder value through the exploration of two very high-potential gold and base-metal projects in Canada.

- DELTA-1, located 50km west of Thunder Bay, Ontario where a 1000m drilling program was completed in Nov. 2019, testing the newly discovered Eureka Gold prospect. Results so far show very wide intercepts of low-grade gold in a km-scale alteration zone.
- DELTA-2, located 35km SE of the Chibougamau, Quebec, where preliminary due diligence and prospecting work discovered two new gold occurrences where grab samples returned up to 55,8 g/t Au and 11,45 g/t Au.

Delta also owns a 100% interest in the Bellechasse-Timmins gold deposit in SE Quebec, which contains a 43-101 gold resource of 171,000 oz @1.83 g/t gold (indicated) and an additional 95,000 oz @1.36 g/t gold (inferred). On July 3, 2020, Delta signed an agreement with Yorkton Ventures Inc for the sale of the Bellechasse-Timmins project for \$1,7M payable over 15 months of signing.

Cautionary Note Regarding Forward Looking Information

Some statements contained in this news release are "forward looking information" within the meaning of Canadian securities laws. Forward looking information include, but are not limited to, statements regarding the use of proceeds of the non-brokered private placement and payment of the debt settlements. Generally, forward-looking information can be identified by the use of forward-looking terminology such as "plans", "expects", "is expected", "budget", "scheduled", "estimates", "forecasts", "intends", "anticipates", "believes" or variations of such words and phrases (including negative or grammatical variations) or statements that certain actions, events or results "may", "could", "would", "might" or "will be taken", "occur" or "be achieved" or the negative connotation thereof. Investors are cautioned that forward-looking information is inherently uncertain and involves risks, assumptions and uncertainties that could cause actual facts to differ materially. There can be no assurance that future developments affecting the Company will be those anticipated by management. The forward-looking information contained in this press release constitutes management's current estimates, as of the date of this press release, with respect to the matters covered thereby. We expect that these estimates will change as new information is received. While we may elect to update these estimates at any time, we do not undertake to update any estimate at any particular time or in response to any particular event.
