Vancouver, March 9, 2021 - [Pacific Ridge Exploration Ltd.](#) (TSXV: PEX) ("Pacific Ridge" or the "Company") announces that it has granted incentive stock options to various directors, officers, and consultants to purchase 850,000 common shares at an exercise price of \$0.105 per share exercisable for a period of five years. The options granted to various directors and officers vest immediately. The 200,000 stock options granted to G2 Consultants, an investor relations consultant, will vest 25% each quarter over a 12-month period. The stock options are subject to the terms and conditions of the Company's stock option plan and the policies of the TSX Venture Exchange.

About Pacific Ridge

Our goal is to become one of the leading copper-gold exploration companies in British Columbia. Pacific Ridge's flagship project is the advanced-stage Kliyul copper-gold project, located in the Quesnel Trough, approximately 50 km southeast of Centerra Gold's Kemess project. Historic drilling at Kliyul encountered significant porphyry copper-gold mineralization, drill hole KL-15-34 returned 245 metres of 0.75% CuEQ¹ (see Pacific Ridge press release dated December 2, 2020). The Company plans to launch a drill program at Kliyul this summer.

Forward-Looking Information: This release includes certain statements that may be deemed "forward-looking statements". All statements in this release, other than statements of historical facts, that address exploration drilling and other activities and events or developments that [Pacific Ridge Exploration Ltd.](#) ("Pacific Ridge") expects to occur, are forward-looking statements. Forward-looking statements in this news release include statements regarding a drill program at Kliyul this summer. Although Pacific Ridge believes the expectations expressed in such forward-looking statements are based on reasonable assumptions, such statements are not guarantees of future performance and actual results or developments may differ materially from those forward-looking statements. Factors that could cause actual results to differ materially from those in forward looking statements include market prices, exploration successes, and continued availability of capital and financing and general economic, market or business conditions. These statements are based on a number of assumptions including, among other things, assumptions regarding general business and economic conditions, that one of the options will be exercised, the ability of Pacific Ridge and other parties to satisfy stock exchange and other regulatory requirements in a timely manner, the availability of financing for Pacific Ridge's proposed programs on reasonable terms, and the ability of third party service providers to deliver services in a timely manner. Investors are cautioned that any such statements are not guarantees of future performance and actual results or developments may differ materially from those projected in the forward-looking statements. Pacific Ridge does not assume any obligation to update or revise its forward-looking statements, whether as a result of new information, future events or otherwise, except as required by applicable law.
