

# Alpha Lithium Announces United States Symbol Change to APHLF

06.08.2021 | [GlobeNewswire](#)

VANCOUVER, Aug. 06, 2021 - [Alpha Lithium Corp.](#) (TSX.V: ALLI) (OTC: APHLF) (Frankfurt: 2P62) ("Alpha" or the "Company") announces that in connection with the update to its CUSIP following the spin-out of Beta Energy Corp., it no longer trades under the symbol ALLIF in the United States and has begun trading today under the new US symbol APHLF. The Company's shares continue to trade in Canada on the TSX Venture Exchange under the same symbol ALLI. The Company's shares are now issued under the CUSIP 02075X103.

The company believes that volatility in the trading of the stock in the US was primarily caused by the creation of a new CUSIP number and the resulting symbol change. Alpha recommends that shareholders should contact an investment advisor prior to making trading decisions and for more information.

The Company confirms and is not aware of any undisclosed material adverse events relating to Alpha, its business or its assets, all of which are progressing positively and as expected. It is expected that trading in the United States to re-regulate in the coming days following adoption of this new symbol and the rebalancing of market orders.

ON BEHALF OF THE BOARD OF [Alpha Lithium Corp.](#)

"Brad Nichol"
