Vancouver, Oct. 6, 2021 - [Surge Battery Metals Inc.](#) (the "Company" or "Surge") (TSXV:NILI) (OTC:NILIF) (FRA:DJ5C) is pleased to announce the appointment of Mr. Bill Macdonald to the Company's Board of Directors effective October 5, 2021.

William (Bill) Macdonald is a successful securities and corporate finance lawyer operating in North Vancouver, Canada. Mr. Macdonald has been, and continues to be, a director and/or officer of numerous publicly traded companies listed on Canadian stock exchanges in a variety of industries. Mr. Macdonald is currently the Chairman of the Board of Canucks Autism Network, a non-profit organization that provides recreation and social programs throughout British Columbia for individuals and their families who are living with Autism Spectrum Disorder (ASD). Mr. Macdonald has been a member of the Law Society of British Columbia since February 1998 and a member of the New York State Bar since February 2002.

Mr. Greg Reimer, Surge President & CEO states "Bill's vast experience working with high growth companies, such as Surge, will certainly come in handy as we continue to grow and raise the capital needed to be a successful public company. Over the years, Bill has advised many public companies both large and small, successfully navigating financing and securities issues for them. He will be critical for the next phase of our proposed expansion and exploration plans, helping to guide our company for the benefit of our shareholders."

Mr. Reimer continues, "Bill is a wonderful addition to our growing team. Through his extensive network of colleagues and individuals, Bill will be able to assist in discussing our business and capital raising needs necessary for moving the company forward. We are very excited to have Bill join Surge's Board of Directors."

Mr. Macdonald comments, "I have been an advisor to Surge for many years, and I am excited to have this opportunity to join the Board of Directors and contribute on another level to the Company. I believe there to be great things in store for Surge in the future, and I am happy to be a part of this journey."
