

# KWG Announces Closing of Second Tranche of Its Convertible Debenture Private Placement

07.10.2021 | [Newsfile](#)

Toronto, October 7, 2021 - [KWG Resources Inc.](#) (CSE: KWG) (CSE: KWG.A) (FSE: KW6) ("KWG" or the "Company") ("KWG") is pleased to announce the closing today of the second tranche of its previously announced private placement (the "Private Placement") of convertible debentures (see news releases dated August 23, 2021 and September 29, 2021). This second tranche was comprised of an aggregate of \$350,660.08 of debentures, bringing the total principal amount of debentures issued under the first and second tranches of the Private Placement to \$3,761,317.08. The Company may complete one or more additional tranches of the Private Placement on or before October 15, 2021 and, in that regard, the size of the Private Placement has been increased to be up to \$6,000,000 of convertible debentures.

The debentures are convertible into units (each a "Unit") with a deemed value of \$15 per Unit (i) at the holder's option at any time or (ii) at the option of KWG after September 29, 2022. The debentures mature on June 30, 2023 and bear interest at 12% per annum, accruing daily, compounding annually and payable concurrently with the payment of principal at the earliest of maturity, redemption or conversion, such payment to be made either (i) at the Company's option on 30 days' notice, by payment in cash (other than in the event of a conversion) or (ii) by the issuance of Units at a deemed value of \$15.00 per Unit. Each Unit will be comprised of two KWG.A multiple-voting shares (as such KWG.A shares are presently constituted; or six KWG.A multiple-voting shares if the proposed subdivision of KWG.A multiple-voting shares is implemented) and one multiple-voting share purchase warrant enabling its holder to acquire one further KWG.A multiple-voting share (as such KWG.A shares are presently constituted; or to acquire three KWG.A multiple-voting shares if the proposed subdivision of KWG.A multiple-voting shares is implemented) from treasury upon payment of \$9.60 (for each such KWG.A share as presently constituted; or \$3.20 for each KWG.A multiple voting share if the proposed subdivision of KWG.A multiple-voting shares is implemented) exercisable at any time on or before December 15, 2023.

The proceeds received by the Corporation from the sale of the debentures will be used for the costs and fees associated with the Private Placement, for general corporate overhead expenses including repaying current debts and liabilities and for payment of exploration and other operating expenses. The working capital deficiency and balance sheet of the Corporation will be improved, which should facilitate future financings or other transactions.

All of the securities to be issued pursuant to this tranche of the Private Placement are subject to a four (4) month hold period.

About KWG:

KWG is the Operator of the Black Horse Joint Venture after acquiring a vested 50% interest through [Bold Ventures Inc.](#) which is carried for 10% (20% of KWG's equity in the JV) by KWG funding all exploration expenditures. KWG also owns 100% of CCC which staked mining claims between Aroland, Ontario and the Ring of Fire. CCC has conducted a surveying and soil testing program to assess the prospects for the engineering and construction of a railroad along that route between the Ring of Fire and Aroland, Ontario. Currently, CCC has engaged Cormorant Utilities and Rail-Veyor Technologies for completion of Engineering Proposals for the construction of a utility corridor within the route. KWG has also acquired intellectual property interests, including a method for the direct reduction of chromite to metalized iron and chrome using natural gas. KWG subsidiary Muketi Metallurgical LP has acquired two chromite-refining patents in Canada and one in the USA and in South Africa and is prosecuting an application in Turkey.
