

# Delta Resumes Drilling at the Delta-2 VMS Property in Chibougamau, Quebec, in Search of the Lemoine Mine "2.0"

12.01.2022 | [Newsfile](#)

Kingston, January 12, 2022 - [Delta Resources Ltd.](#) (TSXV: DLTA) (OTC Pink: DTARF) ("Delta" or "the Company") is pleased to announce that it has returned to the field to begin a comprehensive drilling program at the Delta-2 VMS Property, 35 kilometres southeast of Chibougamau, Quebec.

Crews are mobilizing today from Delta, Miikan Drilling and Native Exploration Services of Ouje- Bougoumou, for the start of an exciting first phase of drilling that will likely be ongoing until the spring breakup.

Delta will be targeting up to 30 high-priority VTEM conductors showing geophysical signatures typical of VMS deposits as well as three (3) deep gravity anomalies with responses comparable to those over known world-class VMS deposits (see press release June 22, 2021).

Up to 36 drill holes are planned at the property-scale for a possible total of 7,400m, with highest priority holes drilled first.

## Qualified Person

Andre Tessier, P.Eng and P.Geo. and President of [Delta Resources Ltd.](#) is a Qualified Person as defined by NI-43-101 and is responsible for the technical information presented in this press release.

## About Delta Resources Limited

[Delta Resources Ltd.](#) is a Canadian mineral exploration company focused on growing shareholder value through the exploration of two very high-potential gold and base-metal projects in Canada.

- DELTA-1, 45 km<sup>2</sup> located 50km west of Thunder Bay, Ontario where an extremely high gold-in-till anomaly and kilometre-scale gold-bearing alteration halo point to a never-tested regional structure.
- DELTA-2 GOLD and DELTA-2 VMS, 200 km<sup>2</sup> in the prolific Chibougamau District of Quebec, with a potential for hydrothermal-gold and gold-rich VMS deposits.

Delta has 49M shares outstanding is currently fully funded for its 2022 exploration program and in addition, is set to receive \$400,000 on March 1st, 2022, through the sale of its Bellechasse-Timmins gold project in SE Quebec.

ON BEHALF OF THE BOARD OF [Delta Resources Ltd.](#)

### Cautionary Note Regarding Forward-Looking Information

Some statements contained in this news release are "forward-looking information" within the meaning of Canadian securities laws. Forward-looking information includes, but is not limited to, statements regarding: the samples may be proximal to a rich bedrock source for the gold; the possibility of the same source for gold mineralization; and the initiation of a property-scale till survey in September. Generally, forward-looking information can be identified by the use of forward-looking terminology such as "plans", "expects", "is expected", "budget", "scheduled", "estimates", "forecasts", "intends", "anticipates", "believes" or variations of such words and phrases (including negative or grammatical variations) or statements that certain actions, events or results "may", "could", "would", "might" or "will be taken", "occur" or "be achieved" or the negative connotation thereof. Investors are cautioned that forward-looking information is inherently uncertain and involves risks, assumptions and uncertainties that could cause actual facts to differ materially. There can be no assurance that future developments affecting the Company will be those anticipated by management. The forward-looking information contained in this press release constitutes management's current estimates, as of the date of this press release, with respect to the matters covered thereby. We expect that these estimates will change as new information is received. While we may elect to update these estimates at any time, we do not undertake to update any estimate at any particular time or in response to any particular event.
