

EnerCom Announces Keynote Speakers and Panel Topics for EnerCom Denver - The Energy Investment Conference Hosted in Denver, August 7-10, 2022

20.07.2022 | [PR Newswire](#)

Lunch Keynote Presentations Feature BPX Energy, Vivek Ramaswamy with Strive Wealth Management and Petrie Partners

Panels include discussions on Capital Allocation, Responsibly Sourced Gas, Private Capital, Carbon Capture, Renewable Natural Gas, ESG, Private Companies and Commodity Market Outlook

DENVER, July 20, 2022 - EnerCom, Inc. announced today that lunch keynote presentations will feature BPX Energy, Vivek Ramaswamy with Strive Wealth Management and Petrie Partners and conference panels will feature participants from BPX Energy, Project Canary, Tallgrass Energy, Summit Carbon, NGV America, Civitas, Denbury Carbonvert, Chevron, Miles Carbon and more.

Preliminary presentation times for participating companies and a complete list of events can be found on the conference website www.enercomdenver.com.

Panel topics will include key industry topics of Capital Allocation, Responsibly Sourced Gas, Private Capital, Carbon Capture, Renewable Natural Gas, ESG, Private Companies and Commodity Market Outlook.

In addition, C-level management teams of leading energy companies will discuss their outlook for drilling and completion well results, production, ESG and capital expenditures for the balance of 2022 and into 2023.

Institutional investors, private equity, hedge funds, family offices, portfolio managers, financial analysts, CIOs, high net worth investors and other investment industry professionals can register for the EnerCom Denver conference and request one-on-one meetings with the senior management teams of participating companies on the conference website.

2022 is EnerCom's 27th annual Denver investment conference and will be an in-person event hosted at the Westin Denver Downtown. EnerCom Denver is the largest independent energy-focused investor conferences and will take place August 7-10, 2022. The conference provides extensive networking opportunities for all attendees at several sponsored events throughout the conference.

EnerCom is adding to the line-up daily and encourages attendees to check the website frequently for the most current information. A sample of the companies that are scheduled to participate at EnerCom Denver on August 7-10, 2022 include:

For more information, please visit www.MossAdams.com.

About Haynes Boone

Haynes Boone, LLP is an energy focused corporate law firm, providing a full spectrum of legal services and solutions to clients across the oil and gas industry, including the upstream, midstream, and downstream sectors. Lawyers from our Denver office and 15 other offices work as a team to meet the legal needs of our domestic and international clients involved in oil and gas. We represent private and public oil and gas companies, financial institutions, investment funds and other investors. Our team of more than 100 energy lawyers and landmen understands the physical and financial energy markets, and the firm has been helping both operators and lenders complete some of the largest financings and M&A transactions in recent years. The BTI Industry Power Rankings, published by BTI Consulting Group, Inc., named Haynes and Boone a "Leading Recommended" firm for the energy industry in 2017, ranking our firm among the top three percent of all law firms. For more information, please visit www.haynesboone.com/.

About BDO

BDO delivers assurance, tax, and financial advisory services to clients throughout the country and around the globe. We offer numerous industry-specific practices, world-class resources, and an unparalleled commitment to meeting our clients' needs. We currently serve more than 400 publicly traded domestic and international clients. For more information, please visit: www.bdo.com.

About Mobius Risk Group

Mobius Risk Group is an independent commodity and physical energy risk advisory firm. Founded in 2002, Mobius provides strategic advisory services including financial, physical, and commodity risk management and valuation, carbon strategy development, and regulated energy oversight for producers, consumers, distributors and capital providers backed by its proprietary C/ETRM, RiskNet. For more information, please visit: www.mobiusriskgroup.com.

About Project Canary

Project Canary is a climate tech company that provides trusted, independent, and verified environmental data to track, measure, and score the "E" in ESG across an enterprise's operational value chain. They are the leaders in providing dynamic environmental ratings using real-time monitoring data at the facility level to assess and improve operating practices and provide a science-based and technology-enabled measurement of emission profiles, including methane. Formed as a Public Benefit Corporation, Project Canary's team of scientists, engineers, and seasoned industry operators have earned recognition for their uncompromising standards, including being named "Best for the World" B Corp. For more information, please visit: www.projectcanary.com.

About Fitch Ratings

Fitch Ratings is a leading provider of credit ratings, commentary, and research. Dedicated to providing value beyond the rating through independent and prospective credit opinions, Fitch Ratings offers global perspectives shaped by strong local market experience and credit market expertise. The additional context, perspective, and insights we provide help investors to make important credit judgments with confidence.

Fitch Group is a global leader in financial information services with operations in more than 30 countries. Fitch Group is comprised of: Fitch Ratings, a global leader in credit ratings and research; Fitch Solutions, a leading provider of credit market data, analytical tools and risk services; and Fitch Learning, a preeminent training and professional development firm. With dual headquarters in London and New York, Fitch Group is owned by Hearst. For additional information, please visit www.fitchratings.com.

About CAC Specialty

CAC Specialty is an employee-owned risk solutions company of seasoned and proactive industry leaders, operating as a nimble and collaborative partner who puts you and your business first. With a knowledge-driven approach informed by industry data and decades of honed instinct, CAC brings an innovative vision to insurance broking and merchant banking by providing solutions to solve your risk

challenges - from the simple to the previously unsolvable. Backed by a \$40B AUM asset manager and not constrained by traditional risk transfer thinking, CAC can expand the range of risk transfer through access to private debt and alternative pools of risk capital. For additional information, please visit www.cacspecialty.com.
