TORONTO, August 2, 2022 - [Ubique Minerals Ltd.](#) ("Ubique") (CSE:UBQ) announces that the previously announced 60 days exclusivity for project "Cheetah" has been extended until end of August.

## Extension of Exclusivity "Cheetah"

On the 30th of May 2022, [Ubique Minerals Ltd.](#) (the "Company") announced that it had signed a non-binding term sheet outlining a proposed acquisition of a 90% interest in a Company with a past producing zinc mine in Africa, subject to completion of due diligence, execution of binding documentation and approval by all parties thereto. As a condition of the term sheet, the parties are to maintain confidentiality during the period of due diligence and until the execution of the definitive binding agreements, at which time additional details regarding the acquisition will be provided. The term sheet provided for a 60-day exclusivity period from such date to complete due diligence and execute all definitive binding agreements. The parties then have up to 9 months to receive regulatory and, if necessary, shareholders' approval to complete the transaction.

On 28th July the Company and the vendor of Project "Cheetah" mutually agreed to extend the non-binding term sheet until 31st August 2022. The Company has done all the necessary project site visits and onsite due diligence has been completed satisfactorily. The parties are currently negotiating the transaction documentation and, while there can be no assurance that definitive binding agreements will be entered into, expect to announce a transaction before the end of the exclusivity period.
