TORONTO, October 19, 2022 - [Amaroq Minerals Ltd.](#) (AIM, TSX-V:AMRQ), an independent mining company with a substantial land package of gold and strategic energy transition mineral assets in Greenland, announces its intention to conduct a placing and subscription of new common shares ("Common Shares") to raise proceeds of approximately £30 million (equivalent to C\$46.4 million or ISK4.9 billion) (the "Fundraising"), in addition to the £18 million (equivalent to C\$27.9 million or ISK 2.9 billion) in relation to the ACAM Joint investment. The books are covered on the Fundraising at a price of 35 pence (C\$0.54 or approximately ISK 57 at the closing exchange rate on 18 October 2022) per new Common Share (the "Placing Price"), with the proceeds being used to expand the Company's resource base and accelerate exploration activities.

Highlights

- The approximately £30 million Fundraising will consist of:
 - A proposed placing of new Common Shares (the "UK Placing Shares") with new and existing institutional investors (the "UK Placing"), at the Placing Price, including a £5 million commitment from an existing family office shareholder;
 - An oversubscribed ISK 2.4 billion (equivalent to £15 million or C\$23.2 million) underwritten proposed placing of new depositary receipts representing new Common Shares (the "Icelandic Placing Shares") with new and existing institutional investors (the "Icelandic Placing"), at the Placing Price; and
 - A proposed private placement of new Common Shares (the "Canadian Subscription Shares", together with the UK Placing Shares and the Icelandic Placing Shares, the "Fundraising Shares") by certain new and existing institutional investors, directors and senior management of the Company at the Placing Price (the "Canadian Subscription"). - The Fundraising complements the joint venture between the Company and ACAM, LP ("ACAM"), announced on 10 June 2022. In addition to the Fundraising, the Company has now executed final documentation in relation to the ACAM joint venture, with closing and receipt of the initial £18 million funding now only subject to certain regulatory conditions precedent;
- Net proceeds from the Fundraising will be used to expand and delineate the resource base at the Company's cornerstone Nalunaq gold project ("Nalunaq") in south Greenland and progress the asset towards mine construction, as well as provide funding to accelerate exploration across the Company's significant portfolio of gold assets and other corporate purposes, and sits alongside ACAM's joint venture investment;

- The Company is applying for listing of the Icelandic depository receipts, representing the Icelandic Placing Shares (the "Icelandic Depository Receipts"), on the Nasdaq First North Growth Market in Iceland ("Icelandic Exchange"), a multilateral trading facility (the "Icelandic Listing"), with admission to Icelandic Exchange expected to become effective on 1 November 2022, subject to completion of the Fundraising and obtaining the necessary approvals from the TSX Venture Exchange (the "TSX-V").

Details of the Fundraising

- Stifel Nicolaus Europe Limited ("Stifel") is acting as sole bookrunner, nominated adviser and broker on the UK Placing and Panmure Gordon (UK) Limited ("Panmure Gordon"; together with Stifel, the "UK Banks") is acting as manager and broker in relation to the UK Placing;
- Arion banki hf. ("Arion Bank") and Landsbankinn hf. ("Landsbankinn") are acting as joint bookrunners and underwriters on the Icelandic Placing;
- In relation to the UK Placing:
 - The UK Placing will be conducted through an accelerated bookbuild process (the "Bookbuild") to be conducted by the UK Banks, which will launch immediately following the release of this announcement and will be made available to eligible institutional investors subject to the terms and conditions set out in the Appendix to this announcement. The Bookbuild is expected to close no later than 8.00 a.m. on 20 October 2022, however the UK Banks and the Company reserve the right to close the Bookbuild earlier or later, without further notice;
 - The UK Placing is subject to the terms and conditions set out in the Appendix to this announcement (collectively, the "Announcement");
 - The UK Placing is conditional amongst other things upon the Icelandic Placing completing and the Icelandic Listing. The Icelandic Placing is conditional, amongst other things, upon the UK Placing not having been terminated prior to the subscription for the Icelandic Placing Shares and the receipt of final approval from the TSX-V for the listing of the Fundraising Shares, but is not conditional upon the UK Placing being completed;
- In relation to the Icelandic Placing:
 - Arion Bank has agreed to underwrite the purchase by placees procured by it of such number of Icelandic Placing Shares which at the Placing Price (converted into ISK on the day of close of the Bookbuild) have an aggregate subscription price of ISK 1.846 billion (equivalent to £11.3 million and C\$17.6 million) pursuant to the terms and conditions agreed between Arion Bank and the Company;

Eldur Olafsson, CEO of Amaroq, commented:

"This Fundraising will be instrumental to driving growth throughout our exciting portfolio in Greenland, where we occupy a leading position in what is one of the last frontiers for Western governments and companies to secure the strategic minerals that will prove vital in the coming decades. On completion of the Fundraising, the funds raised will enable us to progress the development of our flagship Nalunaq gold project, one of the highest-grade gold deposits in the world, whilst accelerating exploration of our strategic minerals assets to provide raw materials needed for the energy transition."

Background to and Reasons for the Fundraising

The Company's strategy is to leverage its first mover advantage in Greenland, underpinned by the previously producing Nalunaq project, to build a full-cycle mining company in Greenland, delivering long term shareholder value and providing significant upside potential through its land bank of high-impact gold and strategic minerals exploration assets. Amaroq has been listed on the TSX-V since July 2017 and the AIM Market of the London Stock Exchange plc ("AIM") since 31 July 2020.

The Company acquired the Nalunaq gold project in 2015 and has made significant progress since this time in expanding the extent of the resource base through drilling, incorporating a new geological model (the Dolerite Dyke model) to better understand the distribution of the high-grade ore, building a new 50-person winterized camp to allow full-year activities, and acquiring and otherwise progressing much of the infrastructure required to bring Nalunaq into production. During this time, Amaroq has also been able to acquire the largest package of mineral rights in southern Greenland, covering 7,866.85 km², and the third largest in the whole of Greenland, with a number of assets that are highly prospective for gold and strategic minerals. The addition of strategic minerals into the portfolio provides significant growth potential, as these metals and minerals, such as copper, nickel, titanium and graphite, are critical for increased electrification as

part of the world's decarbonisation strategy and as independent supply continues to become an increasing focus for nations globally.

As previously announced, the Nalunaq development was required to be put on temporary hold in February 2021 due to unforeseen and material cost increases associated with the impacts of COVID. As a result, the Company redirected its focus, continued to advance and de-risk the Nalunaq project ahead of development and has conducted successful regional exploration across its portfolio targeting gold and strategic minerals and resulting in a material increase in the Company's reserve base.

Key developments at Nalunaq since AIM admission in 2020 include:

- Infrastructure: since admission, Amaroq has completed a significant proportion of Nalunaq's required infrastructure, with 60% of major processing plant equipment procured, a 50-person all weather exploration camp constructed and commissioned, critical surface mobile equipment purchased and supporting infrastructure either purchased or commercially and technically evaluated.
- Third Party Engineering Study: Halyard Inc. (Halyard) was engaged to complete a third party engineering study on Nalunaq's development costs including the process plant, mobile equipment, surface infrastructure, permanent camp and associated logistics and engineering. The study concluded that the advanced engineering of the overall project is now to Feasibility Study level based on the Canadian requirements of National Instrument 43-101 - Standards of Disclosure for Mineral Project ("NI 43-101").
- The Dolerite Dyke Model: Amaroq has worked with SRK Consulting to develop the most robust Mineral Resource estimation technique for Nalunaq possible. This included the development of the Dolerite Dyke Model to account for the high-grade variability from core sampling (the 'nugget effect') in order to better reflect the full resource potential at Nalunaq. The model allows the geological results to be incorporated into the Halyard engineering study in order to move the project towards independent technical studies to support further development.
- Resource Growth through Drilling: Amaroq has drilled approximately 22,373 metres at Nalunaq since it listed on AIM and, incorporating learnings from the new Dolerite Dyke model, has identified two new high-grade zones, namely Valley Block and Welcome Block, taking the total number of identified high grade zones at the asset to five. The Valley Block is now expected to be one of the key targets for initial development. As a result of drilling in the 2020 and 2021 field seasons, Amaroq announced on 6 September 2022 that it had increased its total Inferred Mineral Resource by 30% contained gold, with a 50% increase in average grade, since the previous estimate reported in 2020. The resource now sits at 355 Kt @ 28.0 g/t Au for 320 Koz gold, putting the project in the top 2% of projects globally in terms of reported gold resource grade.
- Delivering on our ESG mandate: The Company has worked hard over the period to update its Environmental Impact Assessment ("EIA") and Social Impact Assessment ("SIA"), and will continue to do so over the coming months in line with the terms of its exploitation licence.
 1. it has read and understood this Announcement in its entirety (including the Appendices) and acknowledges that its participation in the UK Placing will be governed by, and subject to, the Terms and Conditions of the UK Placing as referred to and included in this Announcement;

Going forwards, the Company has laid out a clear plan for bringing Nalunaq back into production, with further drilling planned to expand the resource base and infill drilling to support resource confidence and delineation. The Company is currently conducting an option study before moving towards initial development. Material produced from this initial development, which is expected to be in the Valley Block, will provide the Company the optionality to complete a bulk sample, potentially for toll-treatment offsite, and is expected to facilitate the recognition of reserves to underpin a pre-feasibility study on the asset. A bulk sample, and the associated infrastructure, would be dual purposed and would also provide the initial construction required to commence redevelopment of Nalunaq. A pre-feasibility study would outline the move to full scale underground construction and mining and demonstrate a significant de-risking of the development plan for Nalunaq and be used to support external debt and external investment. Amaroq will look to commence full mine construction and operations following the bulk sample and pre-feasibility study, subject to securing appropriate financing.

ACAM Joint Venture

The Fundraising complements the joint venture between the Company and ACAM, announced on 10 June 2022, under which the Company will establish a new subsidiary (the "JV Company") to hold certain licences in which the majority of resource is expected to relate to non-gold products (the "Initial JV Company Licences").

ACAM, through its affiliate company GCAM, LP, will invest an initial amount of £18.0 million under a subscription and shareholders' agreement (the "Subscription and Shareholders' Agreement") in return for shares in the JV Company representing up to 49% of the JV Company, to fund work programmes on the Initial JV Company Licences. The Company will invest £5.0 million under the Subscription and Shareholders' Agreement, with such amount to be set-off against costs incurred by Nalunaq A/S as the JV Company's project manager.

The Subscription and Shareholders' Agreement has been signed and placed into escrow, and will be released (and will become effective) subject to satisfaction of certain conditions, expected to be satisfied by Q1 2023, including (a) written approval by the Government of Greenland pursuant to section 88(1) of the Mineral Resources Act of the transfer of the Initial JV Company Licences by Nalunaq A/S to the JV Company; (b) written confirmation from the Greenland Tax Agency that the demerger and transfer of the Initial JV Company Licences to the JV Company will be treated as tax neutral and not result in a tax charge; (c) execution of a novation agreement by Nalunaq A/S, the Company, the JV Company, Orano Mining and GCAM, LP in relation to the novation of the existing transfer and option agreement between Nalunaq A/S and Orano Mining; and (d) receipt of final acceptance from the TSX-V in connection with the transactions outlined in the Subscription and Shareholders' Agreement. In the event that a takeover of the Company becomes effective before the conditions precedent are satisfied and the bidder notifies the Company, the JV Company or Nalunaq A/S that (a) it does not want to proceed to completion of the Subscription and Shareholders' Agreement; or (b) the conditions precedent are not satisfied or waived by 31 March 2023, GCAM will have the right to terminate the escrow and a break fee will be payable by the Company to GCAM. The break fee will be calculated based on a daily rate of £4,932 and the number of days elapsed since 19 October 2022, and is subject to a cap of £941,918.

Under the Subscription and Shareholders' Agreement, the JV Company has agreed to grant a right of first refusal to the Company in relation to any of the JV Company's licences in Greenland which it does not wish to progress, wishes to withdraw from or on which material gold assets are discovered, and the Company has agreed to grant a right of first refusal to the JV Company in relation to any of the Company's mineral licences which it does not wish to progress, wishes to withdraw from or on which material non-gold assets are discovered.

Sources and Uses of Proceeds

Existing cash will be used to fund exploration drilling and the JV deal means there is no spending requirement on the wider strategic assets in the short term, beyond the £5.0 million under the Subscription and Shareholders' Agreement, with such amount to be set-off against costs incurred by Nalunaq A/S as the JV Company's project manager.

The use of proceeds of the Fundraising includes £14.1 million to fund initial development at Nalunaq, including underground development costs and bulk sampling. In addition to this the Company plans to spend a further £1.3 million to conduct a further approximately 3,000 meters of drilling to expand the resource. Coupled together this Fundraising aims to increase both the size and the confidence level of the resource base. The increased confidence is aimed at to facilitating the conversion of Mineral Resources to Mineral Reserves and the bulk sample will possibly provide initial cash flows from Nalunaq which would be used to progress the project through a pre-feasibility study, as well as completing its EIA and SIA, moving the asset towards full scale mining.

In the unlikely event that the Icelandic Placing completes but the UK Placing does not, the Company would adjust the uses of proceeds to reflect a smaller resource development program as well as making other less material reductions to the wider exploration program.

Bookbuild

Stifel is acting as sole bookrunner, nominated adviser and broker on the UK Placing and Panmure Gordon is acting as manager and broker on the UK Placing. Arion Bank and Landsbankinn are acting as joint bookrunners and joint underwriters on the Icelandic Placing.

The Bookbuild for the UK Placing will launch immediately following the release of this Announcement. The Bookbuild is expected to close no later than 8.00 a.m. on 20 October 2022, but the UK Banks and the Company reserve the right to close the Bookbuild earlier or later, without further notice.

The UK Placing is subject to the terms and conditions set out in the Appendix to this Announcement.

The number of Fundraising Shares will be determined following completion of the Bookbuild by agreement between the Company and Stifel. Allocations are at the absolute discretion of Stifel, in consultation with the Company and Panmure Gordon, and will be confirmed orally or by email following the close of the Bookbuild. Details of the Fundraising Shares will be announced as soon as practicable after the close of the Bookbuild.

By choosing to participate in the UK Placing and by making an oral and legally binding offer to acquire UK Placing Shares, investors will be deemed to have read and understood this Announcement in its entirety (including the Appendices) and to be making such offer on the terms and subject to the conditions of the UK Placing contained here, and to be providing the representations, warranties and acknowledgements contained in the Appendix.

Application will be made to the London Stock Exchange plc ("London Stock Exchange") for the Icelandic Placing Shares to be admitted to trading on AIM. Application will also be made to the TSX-V for admission of the Icelandic Placing Shares to trading on the TSX-V, with listing subject to the approval of the TSX-V and the Company satisfying all of the requirements of the TSX-V, and to the Icelandic Exchange for the admission of the Icelandic Depositary Receipts. It is currently expected that admission of the Icelandic Placing Shares to the TSX-V will occur on at 9:30 a.m. ET on 1 November 2022 and admission of the Icelandic Placing Shares to trading on AIM will occur on at 8.00 a.m. GMT on 1 November 2022 (or in each case such other date as may be agreed between the Company and the UK Banks). It is expected that the Icelandic Listing will become effective, and that dealings in the Icelandic Depositary Receipts will commence on Icelandic Exchange at 9:30 a.m. GMT on 1 November 2022 (or such other date as may be agreed between the Company and the UK Banks).

Application will be made to the London Stock Exchange for the UK Placing Shares and the Canadian Subscription Shares to be admitted to trading on AIM and to the TSX-V for the UK Placing Shares and the

Canadian Subscription Shares to be admitted to trading on the TSX-V, with listing subject to the approval of the TSX-V and the Company satisfying all of the requirements of the TSX-V. It is currently expected that admission will become effective, and that dealings in the UK Placing Shares and Canadian Subscription Shares will commence on AIM, at 8.00 a.m. GMT on 2 November 2022 and on the TSX-V at 9:30 a.m. ET on 2 November 2022 (or in each case such other date as may be agreed between the Company and the UK Banks).

Related Party Transaction

Certain of the Directors and members of the Company's senior management team have indicated their intention to participate in the Canadian Subscription for approximately £1.75 million (equivalent to ISK 285 million, or C\$2.71 million) in aggregate. As such, the Canadian Subscription will constitute a "related party transaction" within the meaning of Multilateral Instrument 61-101 - Protection of Minority Security Holders in Special Transactions ("MI 61-101") and within the meaning of Policy 5.9 of the TSX-V rules.

Related party transactions require the Company to obtain a formal valuation and minority shareholder approval unless exemptions from these requirements are available under applicable Canadian securities laws. With respect to the Canadian Subscription, the Company is relying on the exemption from the formal valuation requirements in section 5.5(b) of MI 61-101 (as a result of the Common Shares being listed on the TSX-V and being admitted for trading on AIM) and is relying on the exemption from minority approval requirements in section 5.7(1)(a) of MI 61-101, as the fair market value of the securities distributed to, and the consideration received from, interested parties does not exceed 25% of the Company's market capitalization. The Company did not file a material change report at least 21 days prior to the closing of the Canadian Subscription as participation of the insiders had not been confirmed at that time and the Company wished to close on an expedited basis for business reasons.

Unless stated otherwise, all amounts are based on ISK:GBP of 0.0061 and C\$:GBP of 0.6459 and as at 19 October 2022.

This Announcement has been prepared for the purposes of complying with applicable law and regulation in the United Kingdom and the information disclosed may not be the same as that which would have been

disclosed if this Announcement had been prepared in accordance with the laws and regulations of any jurisdiction outside the United Kingdom.

Solely for the purposes of the product governance requirements of Chapter 3 of the FCA Handbook Product Intervention and Product Governance Sourcebook (the "UK MiFIR Product Governance Requirements"), and disclaiming all and any liability, whether arising in tort, contract or otherwise, which any "manufacturer" (for the purposes of the UK MiFIR Product Governance Requirements) may otherwise have with respect thereto, the UK Placing Shares have been subject to a product approval process, which has determined that the UK Placing Shares are: (i) compatible with an end target market of retail investors and investors who meet the criteria of professional clients and eligible counterparties, as respectively defined in paragraphs 3.5 and 3.6 of COBS; and (ii) eligible for distribution through all permitted distribution channels (the "Target Market Assessment"). Notwithstanding the Target Market Assessment, distributors should note that: the price of the UK Placing Shares may decline and investors could lose all or part of their investment; the UK Placing Shares offer no guaranteed income and no capital protection; and an investment in the UK Placing Shares is compatible only with investors who do not need a guaranteed income or capital protection, who (either alone or in conjunction with an appropriate financial or other adviser) are capable of evaluating the merits and risks of such an investment and who have sufficient resources to be able to bear any losses that may result therefrom. The Target Market Assessment is without prejudice to any contractual, legal or regulatory selling restrictions in relation to the UK Placing. Furthermore, it is noted that, in relation to the UK Placing, notwithstanding the Target Market Assessment, Stifel and Panmure Gordon will only procure investors who meet the criteria of professional clients and eligible counterparties.

For the avoidance of doubt, the Target Market Assessment does not constitute: (a) an assessment of suitability or appropriateness for the purposes of Chapters 9A or 10A respectively of COBS; or (b) a recommendation to any investor or group of investors to invest in, or purchase, or take any other action whatsoever with respect to the UK Placing Shares. Each distributor is responsible for undertaking its own target market assessment in respect of the UK Placing Shares and determining appropriate distribution channels.

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.

IMPORTANT INFORMATION FOR PLACEES ONLY REGARDING THE UK PLACING

Bookbuild

Following this Announcement, the UK Banks will commence a bookbuild process in respect of the UK Placing (the "Bookbuild") to determine demand for participation in the UK Placing by Placees. The book will open with immediate effect following release of this Announcement. This Appendix gives details of the terms and conditions of, and the mechanics of participation in, the UK Placing. No commissions will be paid to Placees or by Placees in respect of any UK Placing Shares.

The UK Banks and the Company shall be entitled to effect the UK Placing by such alternative method to the Bookbuild as they may, in their sole discretion, determine.

Details of the Placing Agreement and the UK Placing Shares

The UK Banks are acting as placing agents in connection with the UK Placing. The UK Banks have entered into a placing agreement (the "Placing Agreement") with the Company under which, on the terms and subject to the conditions set out in the Placing Agreement, the UK Banks, as agents for and on behalf of the Company, have severally (and not jointly or jointly and severally) agreed to use their respective reasonable endeavours to procure Placees for the UK Placing Shares at a price of 35 pence per UK Placing Share (the "Placing Price"). The number of UK Placing Shares in the UK Placing will be determined following completion of the Bookbuild and set out in a term sheet to be entered into between the UK Banks and the Company (the "Term Sheet"). The final number of UK Placing Shares, Canadian Subscription Shares and the number of Icelandic Placing Shares will be decided at the close of the Bookbuild. The timing of the closing of the book and allocations will be at the discretion of the UK Banks. Details of the number of UK Placing Shares, Canadian Subscription Shares and the number of Icelandic Placing Shares will be announced as soon as practicable after the close of the Bookbuild.

In accordance with the terms and subject to the conditions in the Placing Agreement, the UK Placing is not underwritten by the UK Banks and in the event that subscribers are not obtained for all or any of the UK Placing Shares (being the "Unplaced Shares") or in the event of a default to make payment by any subscribers procured by the UK Banks, there will be no obligation on any UK Bank to subscribe for any Unplaced Shares or defaulted UK Placing Shares.

The UK Placing Shares will, when issued, be subject to the constitutional documents of the Company and credited as fully paid and will rank pari passu in all respects with the existing issued Common Shares in the capital of the Company, including the Canadian Subscription Shares and the Icelandic Placing Shares, including the right to receive all dividends and other distributions declared, made or paid in respect of such Common Shares after the date of issue of the UK Placing Shares.

Alongside the UK Placing, the Company has proposed a placing in Iceland of new Common Shares at the Placing Price, being the "Icelandic Placing Shares". Arion and Landsbankinn are acting as joint bookrunners in connection with the Icelandic Placing. The Company has entered into a placing agreement with Arion and Landsbankinn in relation to the Icelandic Placing ("Icelandic Placing Agreement"). As part of the Icelandic Placing, Arion has agreed to underwrite the purchase by placees procured by it of such number of Icelandic Placing Shares which at the Placing Price (converted into ISK on the day before their issue) have an aggregate subscription price of ISK 2.721 billion (approximately £16.7 million as at the date of this Announcement) pursuant to the terms and conditions agreed between Arion and the Company. Landsbankinn has further agreed to underwrite the purchase by placees procured by it of such number of Icelandic Placing Shares which at the Placing Price (converted into ISK on the day before their issue) have an aggregate subscription value of ISK 875 million (approximately £5.38 million as at the date of this

Announcement) pursuant to the terms and conditions agreed between Landsbankinn and the Company.

Pursuant to the Fundraising, the Company is seeking, in aggregate, to raise gross proceeds of approximately £30 million (equivalent to C\$47 million or ISK 4.9 billion), to expand its resource base and accelerate exploration. Alongside the UK Placing and Icelandic Placing, the Company has also procured certain subscriptions of Canadian Subscription Shares at the Placing Price, being the Canadian Subscription. For the avoidance of doubt, these Terms and Conditions set out in this Appendix apply to the UK Placing, but do not apply to the Icelandic Placing or the Canadian Subscription.

1. As set out under "Conditions of the UK Placing", the UK Placing is conditional upon, amongst other things, completion of the Icelandic Placing and listing of the Icelandic Depositary Receipts representing Common Shares on the Icelandic Exchange and the Canadian Subscription Agreements being wholly unconditional, save for Admission. The Icelandic Placing is conditional upon, amongst other things, the Placing Agreement not having been terminated prior to the subscription for the Icelandic Placing Shares, and the approval of the TSX-V and the Company satisfying all of the requirements of the TSX-V, for the listing of the Fundraising Shares. The Icelandic Placing is not conditional upon completion of the UK Placing or the Canadian Subscriptions. The UK Placing is conditional upon completion of the Icelandic Placing and the Canadian Subscriptions.

The UK Banks are acting severally, and not jointly, nor jointly and severally, as agents of the Company. Each of the UK Banks and their respective Affiliates are entitled to enter bids as principal in the Bookbuild.
2. The Bookbuild, if successful, will establish the number of UK Placing Shares to be issued and allotted by all Placees whose bids are successful. The number of UK Placing Shares and the aggregate proceeds to be raised through the UK Placing will be agreed between the UK Banks and the Company following completion of the Bookbuild. The number of UK Placing Shares will be announced on a Regulatory Information Service ("Placing Results Announcement") following the completion of the Bookbuild and entry into the Term Sheet by the Company and the UK Banks.
3. To bid in the Bookbuild, Placees should communicate their bid by telephone to their usual sales contact at the relevant UK Bank. Each bid should state the number of UK Placing Shares which a prospective Placee wishes to subscribe for at the Placing Price. Bids may be scaled down by the UK Banks on the basis referred to in paragraph 7 below. Each of the UK Banks reserves the right not to accept bids or to accept bids in part rather than in whole.

4. The Bookbuild is expected to close no later than 8.00 a.m. (London time) on 20 October 2022 but may be closed earlier or later, at the absolute discretion of the UK Banks. The UK Banks may, following consultation with the Company, accept bids that are received after the Bookbuild has closed. The Company reserves the right (upon agreement of the UK Banks) to reduce or seek to increase the amount to be raised pursuant to the UK Placing, in its discretion.
5. Each Placee's allocation will be agreed between the UK Banks and the Company and will be confirmed to Placees orally or in writing by the relevant UK Bank, acting as agent of the Company, following the close of the Bookbuild, and a contract note will be dispatched as soon as possible thereafter. Subject to paragraph &lrn;11 below, the relevant UK Bank's oral or written confirmation to such Placee will constitute an irrevocable legally binding commitment upon such person (who will at that point become a Placee) in favour of such UK Bank and the Company, under which such Placee agrees to subscribe for the number of UK Placing Shares allocated to it and to pay the Placing Price for each such UK Placing Share on the Terms and Conditions set out in this Appendix and in accordance with the Company's constitutional documents.
6. The Company will release the Placing Results Announcement following the close of the Bookbuild, detailing the aggregate number of the UK Placing Shares, Icelandic Placing Shares and Canadian Subscription Shares to be issued.
7. Subject to paragraphs &lrn;2 and &lrn;3 above, the UK Banks may choose to accept bids, either in whole or in part, on the basis of allocations determined at its discretion and may scale down any bids for this purpose on such basis as it may determine or be directed. The UK Banks may also, notwithstanding paragraphs &lrn;2 and &lrn;3 above, following consultation with the Company, (a) allocate UK Placing Shares after the time of any initial allocation to any person submitting a bid after that time; and (b) allocate UK Placing Shares after the Bookbuild has closed to any person submitting a bid after that time. The acceptance of offers shall be at the absolute discretion of the UK Banks. If within a reasonable time after a request for verification of identity, the UK Banks have not received such satisfactory evidence, the UK Banks may, in their absolute discretion, terminate the Placee's UK Placing participation in which event all funds delivered by the Placee to the UK Banks will be returned without interest to the account of the drawee bank or CREST account from which they were originally debited.
8. The UK Placing Shares are being offered and sold by the Company (a) outside the United States in offshore transactions as defined in, and pursuant to, Regulation S, or (b) in the United States to persons reasonably believed to be QIBs in transactions not involving any "public offering" within the meaning of Section 4(a)(2) of the Securities Act, and/or pursuant to an exemption from, or transaction not subject to, the registration requirements of the Securities Act. The Placee and the prospective beneficial owner of the UK Placing Shares is, and at the time the UK Placing Shares are subscribed for will be (a) outside the United States and subscribing for the UK Placing Shares in an "offshore transaction" as defined in, and pursuant to, Regulation S; or (b) (i) a QIB, and (ii) subscribing for the UK Placing Shares pursuant to an exemption from, or in a transaction not subject to, the registration requirements under the Securities Act, acknowledging that the UK Placing Shares have not been, and will not be, registered under the Securities Act or with any State or other jurisdiction of the United States. With respect to (b) above, it is subscribing for the UK Placing Shares for its own account or for one or more accounts as to each of which it exercises sole investment discretion and each of which is a QIB, for investment purposes only and not with a view to any distribution or for resale in connection with the distribution thereof, in whole or in part, in the United States, and it has full power to make the representations, warranties, indemnities, acknowledgements, agreements and undertakings herein on behalf of each such account.
9. Each potential Placee located or resident in Australia must qualify as either a "sophisticated investor" (within the meaning of section 708(8) of the Corporations Act) or "professional investor" (within the meaning of section 708(11) of the Corporations Act) under applicable Australian securities laws that has either executed and delivered, or will execute and deliver, an Australian investor letter and satisfy the eligibility requirements set forth therein.
10. A bid in the Bookbuild will be made on the terms and subject to the conditions in this Appendix and will be legally binding on the Placee on behalf of which it is made and except with the relevant UK Bank's consent will not be capable of variation or revocation after the time at which it is submitted. Each Placee will also have an immediate, separate, irrevocable and binding obligation, owed to the relevant UK Bank (as agent of the Company), to pay it (or as it may direct) in cleared funds an amount equal to the product of the Placing Price and the number of UK Placing Shares that such Placee has agreed to acquire. In particular, none of the UK Banks, nor the Company, nor any of their respective Affiliates shall have any responsibility or liability (including, to the extent permissible by law, any fiduciary duties) in respect of the UK Banks' conduct of the Bookbuild or of such alternative method of effecting the UK Placing as the UK Banks, their respective Affiliates and the Company may agree or determine.

The UK Banks may, in their absolute discretion and upon such terms as it thinks fit, waive fulfilment of all or any of the conditions in the Placing Agreement in whole or in part, or extend the time provided for fulfilment of one or more conditions, save that certain conditions including the condition relating to Admission may not be waived. By participating in the Bookbuild, each Placee agrees that its rights and obligations cease and terminate only in the circumstances described above and under "Termination of the UK Placing" below and will not be capable of rescission or termination by it.

Termination of the UK Placing

The UK Banks are entitled to terminate the Placing Agreement in accordance with its terms in certain circumstances, including, inter alia, if at any time before Admission in the opinion of the UK Banks (acting in good faith):

1. any statement contained in the documents issued by the Company in connection with the UK Placing is incorrect or has become or been discovered to be untrue or inaccurate in any material respect or misleading in any material respect or that there has been a material omission therefrom;
2. any of the warranties given by the Company under the Placing Agreement was, when given, in any material respect, untrue or inaccurate or misleading;

4. the Company has failed to comply with any of its obligations contained in the UK Placing Agreement;
5. there has occurred a suspension or cancellation by either the AIM, the TSX-V or the Icelandic Exchange of trading in the Company's securities on any of AIM, the TSX-V, and following its admission, the Icelandic Exchange, other than a suspension of trading in the Company's securities on the TSX-V to facilitate the Bookbuild;
6. any of the Icelandic Placing Agreement or the Icelandic Letter of Commitment having terminated or lapsed;
7. the Icelandic Depositary Receipts are not admitted to trading on the Icelandic Exchange by no later than 1 November 2022 or such later date as the Company and the UK Banks may agree being no later than one Business Day prior to the Long Stop Date;
8. there are any facts, matters or circumstances which give rise to, or are reasonably likely to give rise to (in the opinion of either of the UK Banks acting in good faith) a claim under the indemnities given by the Company for the benefit of the UK Banks under the Placing Agreement;
9. the appointment of any of the UK Banks as agent of the Company under the Placing Agreement is terminated for whatever reason;

10. there shall have occurred any significant new factor, mistake or inaccuracy in the information in this document requiring in the opinion of either of the UK Banks, acting in good faith, a supplementary press document to be published by or on behalf of the Company; or
11. there has occurred, in the opinion of either of the UK Banks acting in good faith, a Material Adverse Change whether or not foreseeable at the date of the Placing Agreement.

On the occurrence of any one or more of the above-mentioned circumstances, either of the UK Banks may, in their absolute discretion, by notice in writing to the Company (or by orally communicating the same to the Company and the other UK Bank), terminate the Placing Agreement with immediate effect.

Upon such notice being given, the parties to the Placing Agreement shall be released and discharged (except for any liability arising before or in relation to such termination) from their respective obligations under or pursuant to the Placing Agreement, subject to limited exceptions.

By participating in the UK Placing, each Placee agrees that its rights and obligations terminate only in the circumstances described above and under the "Conditions of the UK Placing" section above and will not be capable of rescission or termination by it after oral confirmation by the UK Banks following the close of the Bookbuild.

By participating in the Bookbuild, each Placee agrees with the Company and the UK Banks that the exercise by the Company or the UK Banks of any right of termination or any other right or other discretion under the Placing Agreement shall be within the absolute discretion of the Company or the UK Banks or for agreement between the Company and the UK Banks (as the case may be) and that neither the Company nor the UK Banks need make any reference to, or undertake any consultation with, Placees and that neither they nor any of their respective Affiliates', agents, directors, officers or employees shall have any liability to Placees (or to any other person whether acting on behalf of a Placee or otherwise) whatsoever in connection with any such exercise.

No prospectus

The UK Placing Shares are being offered to a limited number of specifically invited persons only and will not be offered in such a way as to require any prospectus or other offering document to be published. No prospectus or other offering document has been or will be submitted to be approved by the FCA in relation to the UK Placing or the UK Placing Shares and Placees' commitments will be made solely on the basis of publicly available information taken together with the information contained in this Announcement, and any Exchange Information (as defined below) previously published by or on behalf of the Company simultaneously with or prior to the date of this Announcement and subject to any further terms set forth in the contract note sent to individual Placees.

Each Placee, by participating in the UK Placing, agrees that the content of this Announcement and the publicly available information released by or on behalf of the Company is exclusively the responsibility of the Company and confirms to the UK Banks and the Company that it has neither received nor relied on any other information, representation, warranty, or statement made by or on behalf of the Company (other than publicly available information) or the UK Banks or their respective Affiliates or any other person and none of the UK Banks or the Company, or any of their respective Affiliates or any other person will be liable for any Placee's decision to participate in the UK Placing based on any other information, representation, warranty or statement which the Placees may have obtained or received (regardless of whether or not such information, representation, warranty or statement was given or made by or on behalf of any such persons). Each Placee acknowledges and agrees that it has relied on its own investigation of the business, financial or other position of the Company in accepting a participation in the UK Placing. No Placee should consider any information in this Announcement to be legal, tax or business advice. Nothing in this paragraph shall exclude the liability of any person for fraudulent misrepresentation.

Lock-up

The Company has undertaken to the UK Banks that, between the date of the Placing Agreement and 120 calendar days after the Closing Date, it will not, without the prior written consent of the UK Banks (such consent not to be unreasonably withheld or delayed), enter into certain transactions involving or relating to

the Common Shares, subject to certain customary carve-outs agreed between the UK Banks and the Company.

By participating in the UK Placing, Placees agree that the exercise by the UK Banks of any power to grant consent to waive the undertaking by the Company of a transaction which would otherwise be subject to the lock-up under the Placing Agreement shall be within the absolute discretion of the UK Banks and that they need not make any reference to, or consult with, Placees and that they shall have no liability to Placees whatsoever in connection with any such exercise of the power to grant consent.

Registration and settlement

Settlement of transactions in the UK Placing Shares (ISIN: CA00108V1022) following Admission will take place within the relevant system administered by Euroclear ("CREST"), using the delivery versus payment mechanism, subject to certain exceptions. Subject to certain exceptions, the UK Banks and the Company reserve the right to require settlement for, and delivery of, the UK Placing Shares to Placees by such other means that they deem necessary if delivery or settlement is not practicable in CREST within the timetable set out in this Announcement or would not be consistent with the regulatory requirements in the Placee's jurisdiction.

In order to enable Placees in the United Kingdom to settle their securities through CREST, the Company has appointed Computershare Investor Services plc to act as a depositary (the "Depositary") to hold the Common Shares and issue dematerialised depositary interests representing the underlying Common Shares ("Depositary Interests"). The Depositary will hold the Common Shares on trust for the relevant shareholders.

The Depositary Interests are independent English securities and held on a register maintained by the Depositary. The Depositary Interests have the same security code and ISIN number as the underlying Common Shares which they represent and do not require a separate admission to AIM. Any references to UK Placing Shares in this Announcement shall include any Depositary Interests issued in relation to the same.

Following the close of the Bookbuild for the UK Placing, each Placee allocated UK Placing Shares in the UK Placing will be sent a contract note stating the number of UK Placing Shares to be allocated to it at the Placing Price, the aggregate amount owed by such Placee to the UK Banks and settlement instructions. It is expected that such contract note will be despatched on or around 21 October 2022 and that this will also be the trade date.

Each Placee agrees that it will do all things necessary to ensure that delivery and payment is completed in accordance with either the standing CREST or certificated settlement instructions that it has in place with the relevant UK Bank. The Company will deliver the UK Placing Shares to a CREST account or account operated by one or more of the UK Banks as agent for the Company and the relevant UK Bank will enter its delivery instruction into the CREST system. The UK Banks will hold any UK Placing Shares delivered to this account as nominee for the Placees. The input to CREST by a Placee of a matching or acceptance instruction will then allow delivery of the relevant UK Placing Shares to that Placee against payment. It is expected that settlement will be on 2 November 2022 on a T+7 basis in accordance with the instructions given to the UK Banks.

Interest is chargeable daily on payments not received from Placees on the due date in accordance with the arrangements set out above at the rate of two percentage points above LIBOR as determined by the UK Banks.

Each Placee agrees that, if it does not comply with these obligations, the UK Banks (or any of them) may sell any or all of their UK Placing Shares on their behalf and retain from the proceeds, for the Company's own account and benefit, an amount equal to the aggregate amount owed by the Placee plus any interest due. The relevant Placee will, however, remain liable for any shortfall below the Placing Price and for any stamp duty or stamp duty reserve tax (together with any interest or penalties) which may arise upon the sale of its UK Placing Shares on its behalf.

If UK Placing Shares are to be delivered to a custodian or settlement agent, Placees must ensure that, upon

receipt, the conditional contract note is copied and delivered immediately to the Relevant Person within that organisation. Insofar as UK Placing Shares are registered in a Placee's name or that of its nominee or in the name of any person for whom a Placee is contracting as agent or that of a nominee for such person, such UK Placing Shares should, subject as provided below, be so registered free from any liability to United Kingdom stamp duty or stamp duty reserve tax. Placees will not be entitled to receive any fee or commission in connection with the UK Placing.

Representations and warranties

By participating in the Bookbuild, each Placee (and any person acting on such Placee's behalf) irrevocably acknowledges, confirms, undertakes, represents, warrants and agrees (for itself and for any such prospective Placee) with each of the UK Banks (in their capacity as placing agents of the Company in respect of the UK Placing) and the Company, in each case as a fundamental term of its application for UK Placing Shares, the following:
