

Maverix Metals Receives Court Approval For Arrangement With Triple Flag Precious Metals Corp.

18.01.2023 | [CNW](#)

VANCOUVER, Jan. 17, 2023 - [Maverix Metals Inc.](#) ("Maverix" or the "Company") (NYSE American; MMX) (TSX: MMX) is pleased to announce that the Ontario Superior Court of Justice (Commercial List) has granted a final order approving the previously announced acquisition of Maverix by [Triple Flag Precious Metals Corp.](#) ("Triple Flag") by way of plan of arrangement in accordance with the Canada Business Corporations Act (the "Arrangement"). Pursuant to the terms of the Arrangement, Triple Flag will acquire all of the issued and outstanding shares of Maverix for the consideration of either US\$3.92 in cash or 0.360 of a common share of Triple Flag per Maverix share held (the "Consideration").

Maverix shareholders were entitled to make an election for their form of consideration by the election deadline of 5:00 p.m. (Toronto time) on January 11, 2023 (the "Election Deadline"). The shareholder election in respect of the Consideration is subject to pro-rata such that the cash consideration will not exceed 15% of the total consideration and the share consideration will not exceed 85% of the total consideration. Maverix shareholders who did not elect to receive either all Triple Flag shares or all cash by the Election Deadline are deemed to have elected the default consideration of 0.360 of a Triple Flag share per Maverix share held. As previously reported, a total of 38,309,854 shares will be tendered for cash consideration, representing approximately 26% of the total issued and outstanding shares of Maverix, and a total of 7,323,240 shares will be tendered for share consideration, which combined with 101,746,260 common shares that did not make election and defaulted to being tendered for share consideration, represents approximately 74% of the total issued and outstanding shares of Maverix.

Subject to the satisfaction or waiver of the remaining conditions to closing contained in the arrangement agreement dated November 9, 2022 between Maverix and Triple Flag, the Arrangement is expected to be effected on or about January 19, 2023.

Following completion of the Arrangement, Maverix expects to delist its common shares from the Toronto Stock Exchange and the New York Stock Exchange. Maverix will also apply to the Canadian securities regulators to cease to be a reporting issuer in the applicable jurisdictions following the completion of the Arrangement.

Cautionary statements to U.S. investors

Information contained or referenced in this press release or in the documents referenced herein concerning the properties, technical information and operations of Maverix has been prepared in accordance with requirements and standards under Canadian securities laws, which differ from the requirements of the U.S. Securities and Exchange Commission ("SEC") under subpart 1300 of Regulation S-K ("S-K 1300"). The terms "mineral resource" and "inferred mineral resource" used in this press release or in the documents incorporated by reference herein are mining terms as defined in accordance with NI 43-101 under guidelines set out in the Definition Standards for Mineral Resources and Mineral Reserves adopted by the Canadian Institute of Mining, Metallurgy and Petroleum Council. While the terms are substantially similar to the same terms defined under S-K 1300 there are differences in the definitions. Accordingly, there is no assurance any mineral resources that the Company may report under NI 43-101 will be the same as resource estimates prepared under the standards adopted under S-K 1300. Because the Company is eligible for the Multijurisdictional Disclosure System adopted by the SEC and Canadian Securities Administrators, the Company is not required to present disclosure regarding its mineral properties in compliance with S-K 1300. Accordingly, certain information contained in this press release concerning descriptions of mineralization and mineral resources under these standards may not be comparable to similar information made public by US

companies subject to reporting and disclosure requirements of the SEC.

Cautionary note regarding forward-looking statements

This release contains certain "forward looking statements" and certain "forward-looking information" as defined under applicable Canadian and U.S. securities laws. Forward-looking statements and information can generally be identified by the use of forward-looking terminology such as "may", "will", "should", "expect", "intend", "estimate", "anticipate", "believe", "continue", "plans" or similar terminology. The forward-looking information contained herein is provided for the purpose of assisting readers in understanding management's current expectations and plans relating to the future. Readers are cautioned that such information may not be appropriate for other purposes. Forward-looking statements and information include, but are not limited to, statements with respect to the completion of the Arrangement (including other conditions precedent). Forward-looking statements and information are based on forecasts of future results, estimates of amounts not yet determinable and assumptions that, while believed by management to be reasonable, are inherently subject to significant business, economic and competitive uncertainties and contingencies. Forward-looking information is subject to known and unknown risks, uncertainties and other factors that may cause the actual actions, events or results to be materially different from those expressed or implied by such forward-looking information, including but not limited to: the impact of general business and economic conditions; the absence of control over mining operations from which Maverix will purchase gold and other metals or from which it will receive royalty payments and risks related to those mining operations, including risks related to international operations, government and environmental regulation, delays in mine construction and operations, actual results of mining and current exploration activities, conclusions of economic evaluations and changes in project parameters as plans continue to be refined; accidents, equipment breakdowns, title matters, labor disputes or other unanticipated difficulties or interruptions in operations; problems inherent to the marketability of gold and other metals; the inherent uncertainty of production and cost estimates and the potential for unexpected costs and expenses; industry conditions, including fluctuations in the price of the primary commodities mined at such operations, fluctuations in foreign exchange rates and fluctuations in interest rates; government entities interpreting existing tax legislation or enacting new tax legislation in a way which adversely affects Maverix; stock market volatility; regulatory restrictions; liability, competition, the potential impact of epidemics, pandemics or other public health crises, including the current outbreak of the novel coronavirus known as COVID-19 on Maverix's business, operations and financial condition, loss of key employees, as well as those risk factors discussed in the section entitled "Risk Factors" in Maverix's annual information form dated March 16, 2022, available at www.sedar.com. Maverix has attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking statements, there may be other factors that cause results not to be as anticipated, estimated or intended. There can be no assurance that such statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers are advised not to place undue reliance on forward-looking statements or information. Maverix undertakes no obligation to update forward-looking information except as required by applicable law. Such forward-looking information represents management's best judgment based on information currently available.
