Vancouver, February 22, 2023 - Southern Arc Mineral Inc. (TSXV: SA.H) ("Southern Arc." or the "Company") is pleased to announce its participation in the private placement ("Private Placement") offering of [Rise Gold Corp.](#) (CSE: RISE) ("Rise"). The Company subscribed for 1,000,000 units of Rise for a total investment of US\$400,000. Each purchased unit is comprised of one common share of Rise and one half of one purchase warrant, each whole purchase warrant entitling the Company to purchase an additional common share of Rise at US\$0.60 per share until January 31, 2025.

Rise has indicated that the funds raised in the Private Placement will be used in connection with the re-opening of its Idaho-Maryland Gold Mine in California, debt repayment and for general working capital. John Proust, CEO, reported that, "This is the third time that Southern Arc has invested in Rise, with the previously purchased shares delivered to our shareholders in connection with a return of capital transaction Southern Arc completed on October 30, 2020. With the recent release of a favorable final environmental impact report for the project, the board of directors of Southern Arc determined that it was an opportune time to invest in the potential re-opening of the Idaho-Maryland mine."
