BCM Welcomes New Board Member

17.04.2023 | ACCESS Newswire

VANCOUVER, April 17, 2023 - BCM Resources Corp. (TSXV:B) is pleased to announce the appointment of Robert M. Ingram to the Board of Directors. Robert is a well established consultant and business development expert headquartered in Carson City Nevada. Mr. Ingram replaces Rick R. Redfern on the Board.

Sergei Diakov, President of BCM said, "We are pleased to welcome Robert to the Board of BCM Resources Corp. His experience with business development and his overall business judgement is a strong addition to our growing team. Rick Redfern remains with the company as valuable and important member of our TK technical team."

About BCM Resources
BCM Resources Corp. is a diversified Canadian mineral exploration company now focused on completing Phase 1 discovery drilling of the Thompson Knolls property, its key asset. BCM also controls prospective Copper, Gold, and Molybdenum exploration projects in British Columbia. BCM Resources is managed by experienced and successful board members and advisors. For further information, including area maps, sections, and photos, please visit our web site at www.bcmresources.com or contact us by e-mail at info@bcmresources.com. BCM has 185,043,523 shares issued and outstanding and trades on the TSX Venture Exchange under the symbol B.

ON BEHALF OF BCM Resources Corp.
"Sergei Diakov"
President & Chief Executive Officer

Caution Concerning Forward-Looking Statements
This news release and related texts and images on BCM Resource Corporation's website contain certain "forward-looking statements" including, but not limited to, statements relating to interpretation of mineralization potential, drilling and assay results, future exploration work, and the anticipated results of this work. Forward-looking statements are statements that are not historical facts and are subject to a variety of risks and uncertainties which could cause actual events or results to differ materially from those reflected in the forward-looking statements, including, without limitation: risks related to fluctuations in metals prices; uncertainties related to raising sufficient financing to fund the planned work in a timely manner and on acceptable terms; changes in planned work resulting from weather, logistical, technical, governmental, social, or other factors; the possibility that results of work will not fulfill expectations and realize the perceived potential of the company's projects; uncertainties involved in the interpretation of sampling and drilling results and other tests; the possibility that required permits and access agreements may not be obtained in a timely manner; risk of accidents, equipment breakdowns or other unanticipated difficulties or interruptions; the possibility of cost overruns or unanticipated expenses in these work programs. Forward-looking statements contained in this release are based on the beliefs, estimates, and opinions of management on the date the statements are made. There can be no assurance that such statements will prove accurate. Actual results may differ materially from those anticipated or projected. BCM Resources Corp. undertakes no obligation to update these forward-looking statements if management's beliefs, estimates, opinions, or other factors, should change this news release and the information contained herein does not constitute an offer of securities for sale in the United States and securities may not be offered or sold in the United States absent registration or exemption from registration.

NEITHER THE TSX VENTURE EXCHANGE NOR ITS REGULATION SERVICES PROVIDERS (AS THAT

TERM IS DEFINED IN THE POLICIES OF THE TSX VENTURE EXCHANGE) ACCEPTS RESPONSIBILITY FOR THE ADEQUACY OR ACCURACY OF THIS RELEASE.
