

Angold Resources Completes Sale of US Projects

18.05.2023 | [Newsfile](#)

Vancouver, May 18, 2023 - [Angold Resources Ltd.](#) (TSXV: AAU) (FSE: 13L) ("Angold" or the "Company") has completed its previously announced assignment of its interests in the Iron Butte and Hope Butte projects (the "Projects") to Lode Metals Corp. (CSE: LODE) ("Lode"). The assignment was completed pursuant to the terms of a definitive assignment and assumption agreement (the "Definitive Agreement") entered into with Lode Metals Corp. (CSE: LODE) ("Lode") dated May 9, 2023.

In consideration for the assignment, the Company has been issued 10,000,000 common shares of Lode (the "Consideration Shares"), and Lode has agreed to assume all obligations associated with the Projects. The Consideration Shares represent approximately 17.7% of the issued and outstanding common shares of Lode on an undiluted basis. Prior to receipt of the Consideration Shares, the Company did not own any securities of Lode.

The Company acquired the Consideration Shares for investment purposes, in consideration for the assignment of its interest in the Projects. In accordance with applicable securities laws, the Company may from time to time and at any time directly or otherwise, increase or decrease its ownership, control or direction of securities of Lode. For further information please refer to the Early Warning Report filed for the Company under the SEDAR profile (www.sedar.com) for Lode.

The Company is at arms-length from Lode, and no finders' fees or commissions are payable in connection with the Definitive Agreement. The Consideration Shares are subject to an escrow arrangement, during which time they may not be traded, for a period for twelve months.

Forward-Looking Statements: This news release contains forward-looking statements and forward-looking information within the meaning of applicable securities laws. These statements relate to future events or future performance and include expectations regarding completion of the Strategic Review. All statements other than statements of historical fact may be forward-looking statements or information. Forward-looking statements and information are often, but not always, identified by the use of words such as "appear", "seek", "anticipate", "plan", "continue", "estimate", "approximate", "expect", "may", "will", "project", "predict", "potential", "targeting", "intend", "could", "might", "should", "believe", "would" and similar expressions. Forward-looking statements and information are provided for the purpose of providing information about the current expectations and plans of management of the Company relating to the future. Readers are cautioned that reliance on such statements and information may not be appropriate for other purposes, such as making investment decisions. Since forward-looking statements and information address future events and conditions, by their very nature they involve inherent risks and uncertainties. Actual results could differ materially from those currently anticipated due to a number of factors and risks. Accordingly, readers should not place undue reliance on the forward-looking statements, timelines and information contained in this news

release. Forward-looking information are based on management of the parties' reasonable assumptions, estimates, expectations, analyses and opinions, which are based on such management's experience and perception of trends, current conditions and expected developments, and other factors that management believes are relevant and reasonable in the circumstances, but which may prove to be incorrect.

The Company undertakes no obligation to update forward-looking information except as required by applicable law. Such forward-looking information represents management's best judgment based on information currently available. No forward-looking statement can be guaranteed and actual future results may vary materially. Accordingly, readers are advised not to place undue reliance on forward-looking statements or information.
