## Reader Advisory Regarding Forward-Looking Information

This news release contains forward-looking information within the meaning of applicable securities laws. In general, forward-looking information refers to disclosure about future conditions, courses of action, and events. The use of any of the words "anticipates", "believes", "expects", "intends", "plans", "will", "would", and similar expressions are intended to identify forward-looking information. More particularly and without limitation, this news release includes forward-looking information with respect to the Debt Restructuring including the completion of the Debt Restructuring and related matters, the conditions to closing of the Debt Restructuring and the receipt of any required regulatory and TSXV approvals for the Debt Restructuring.

Forward-looking statements are made based upon certain assumptions by the Company, including the receipt of all regulatory and related approvals for the Debt Restructuring. There can be no assurance that the Company will be able to successfully complete the Debt Restructuring on the terms contemplated, in a timely manner or at all. Although the Company believes that the expectations and assumptions on which such forward-looking information is based are reasonable, undue reliance should not be placed on the forward-looking information because the Company cannot give any assurance that it will prove to be accurate. By its nature, forward-looking information is subject to various risks and uncertainties, which could cause the actual results and expectations to differ materially from the anticipated results or expectations.

expressed in this news release. Such statements and information are based on numerous assumptions regarding present and future business prospects and strategies and the environment in which Antioquia will operate in the future, including the price of gold, anticipated costs and Antioquia's ability to achieve its goals, anticipated financial performance, regulatory developments, development plans, exploration, development and mining activities and commitments. Although management considers its assumptions on such matters to be reasonable based on information currently available to it, they may prove to be incorrect. Additional risks are described in Antioquia's most recently filed annual and interim MD&A and other disclosure documents available under the Company's profile at: [www.sedar.com](http://www.sedar.com).

By their very nature, forward-looking statements involve inherent risks and uncertainties, both general and specific, and risks exist that estimates, forecasts, projections and other forward-looking statements will not be achieved or that assumptions do not reflect future experience. We caution readers not to place undue reliance on these forward-looking statements as a number of important risk factors could cause the actual outcomes to differ materially from the beliefs, plans, objectives, expectations, anticipations, estimates, assumptions and intentions expressed in such forward-looking statements.
