

# Eeko S.A. Unilaterally Purports to Terminate Option Agreement with AIS

09.08.2023 | [GlobeNewswire](#)

VANCOUVER, Aug. 08, 2023 - [A.I.S. Resources Ltd.](#) (TSX-V: AIS, FRA: 5YHA) (the "Company" or "AIS") today announced that Eeko S.A. (Eeko) has unilaterally declared the Exploration and Purchase Option Agreement between AIS and Eeko, dated June 10<sup>th</sup>, 2021 to be terminated for alleged breach of contract by AIS. AIS rejects the allegation of breach and rejects Eeko's purported termination of the Agreement.

AIS validly exercised the option on Pocitos 1 prior to the contractual deadline of June 30<sup>th</sup>. Furthermore, Eeko breached the Agreement by (i) refusing in bad faith to honour the option exercise, and (ii) failing to obtain the mandatory legal certificates to prepare and execute the Transfer Deed for the Pocitos 1 property, as required under the Agreement.

The Pocitos 1 property was further optioned by AIS to Spey Resources Corp. (CSE: SPEY). As a result of this breach by Eeko, AIS was unable to perform its obligations under its option agreement with Spey. Monies placed in trust by Spey with AIS to complete the option exercise have been returned to Spey.

Andrew Neale, President & CEO of AIS commented, "We are at a loss to understand the actions of Eeko. We proceeded on a good faith basis to live up to our side of the agreement and believe that AIS is in full compliance with the June 2021 Exploration and Option Purchase Agreement."

As a result of the financial harm this has caused AIS, AIS intends to aggressively pursue its legal remedies in Argentina and takes the position that Eeko is unable to transfer good title to the property free from the AIS claim.
