Vancouver, Jan. 31, 2024 – [Generation Gold Corp.](#) (TSX-V: GEN) ("Generation Gold" or the "Company") is pleased to announce that it has changed its name from "Generation Gold Corp." to "Generation Uranium Inc.", effective January 30, 2023. The Company's common shares will begin trading on the TSX Venture Exchange under the new name at the start of trading on Monday, February 5, 2024. The Company's trading symbol will remain unchanged.

The CUSIP assigned to the Company's common shares under its new name will be 37150L103. There is no consolidation of the Company's share capital in connection with the name change and, as a result, certificates representing common shares of the Company will not be affected by the name change and shareholders will not be required to exchange their shares or take any other action. Shareholders holding share certificates of the Company can request a replacement certificate; however, new certificates are not required and will not be automatically issued.

The name change was approved by the Company's board of directors on January 10, 2024. The name change is intended to reflect the Company's focus on uranium in connection with its newly acquired YATH uranium property. Please see the Company's press release dated December 28, 2023 for more information about the Company's YATH property. About Generation Gold Corp. The Company is a natural resource company engaged in the exploration and development of mineral properties. The Company has an option to acquire a 60% interest in and to the Arlington Property located within the Arrow Boundary District of south-central British Columbia.

Forward-Looking Statements

This news release contains certain statements that may constitute forward-looking information under applicable securities laws. All statements, other than those of historical fact, which address activities, events, outcomes, results, developments, performance or achievements that the Company anticipates or expects may or will occur in the future (in whole or in part) should be considered forward-looking information. Often, but not always, forward-looking information can be identified by the use of words such as "plans", "expects", "is expected", "budget", "scheduled", "estimates", "forecasts", "intends", "anticipates", or "believes" or variations (including negative variations) of such words and phrases, or statements formed in the future tense or indicating that certain actions, events or results "may", "could", "would", "might" or "will" (or other variations of the foregoing) be taken, occur, be achieved, or come to pass. Forward-looking information is based on currently available competitive, financial and economic data and operating plans, strategies or beliefs as of the date of this news release, but involve known and unknown risks, uncertainties, assumptions and other factors that may cause the actual results, performance or achievements of the Company to be materially different from any future results, performance or achievements expressed or implied by the forward-looking information. Such factors may be based on information currently available to the Company,

including information obtained from third-party industry analysts and other third-party sources, and are based on management's current expectations or beliefs regarding future growth, results of operations, future capital (including the amount, nature and sources of funding thereof) and expenditures. Any and all forward-looking information contained in this press release is expressly qualified by this cautionary statement. Trading in the securities of the Company should be considered highly speculative. The forward-looking statements included in this news release are made as of the date hereof and the Company disclaims any intention or obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as expressly required by applicable securities legislation.

Neither the TSX Venture Exchange nor its Regulation Service Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
