

Major Announces Application for Partial Revocation Order

22.03.2024 | [GlobeNewswire](#)

VANCOUVER, March 22, 2024 - [Major Precious Metals Corp.](#) ("Major Precious Metals" or the "Company") has applied to the British Columbia Securities Commission ("BCSC") for a partial revocation of the failure-to-file cease trade order ("FFCTO") that was issued by the BCSC against the company on January 12, 2023, for failing to file certain outstanding continuous disclosure documents in a timely manner.

If the partial revocation order is granted, the company intends to complete a non-brokered private placement of up to thirty million units ("Units") issued at a price of \$0.025 per Unit for gross proceeds of up to \$750,000. Each Unit will be comprised of one common share (each a "Share") and one transferable common share purchase warrant (each a "Warrant"). Each Warrant will entitle the holder thereof to purchase one additional Share for a period of five years from closing the Private Placement at a price of \$0.05 per Share (the "Private Placement").

The Company intends to use the proceeds from the Private Placement to prepare and file all outstanding financial statements and continuous disclosure records, pay all outstanding related fees and penalties, meet certain financial obligations and to continue operations until it can apply for and receive a full revocation of the FFCTO. If and when the Private Placement is completed, and the Company has filed all such outstanding financial statements and continuous disclosure records, the Company intends to apply for a full revocation of the FFCTO.

In accordance with applicable securities legislation, all Shares issued pursuant to the Private Placement will be subject to a hold period of four months and a day from the closing date of the Private Placement.

All of the Company's securities issued in connection with the Private Placement, will remain subject to the FFCTO until such order is fully revoked. The granting of the partial revocation order by the BCSC does not guarantee the issuance of a full revocation order in the future.
